MEMORANDUM

Date: March 4, 2024

From: Shawn Logan, Mayor
To: City Council Members
Re: 2024 Budget Message

For the past eighteen years, Council has participated in the development of the preliminary budget by serving on budget committees. Your participation this year has resulted in our budget product which reflects staff and council committee visions for 2024. This budget is a team effort, and I thank you for your devotion and dedication to making Othello "a better place to live and work". Included in the budget are projected revenues and departmental requests for the General Fund, Street Fund, Special Revenue Funds, Enterprise Funds, Reserve Funds, and Debt Service Funds. As a general explanation of the budget, levels of service in all departments will be maintained, and expenditures have been reviewed with a conservative philosophy. Revenues are forecast based on current state and local economic trends, as well as budgeting formulas from Municipal Research & Services Center (MRSC).

As reflected in the Budget Summary, total available fund balance and revenues for the City are \$47,888,564. Total expenditures are \$28,190,469 for a total ending fund balance of \$19,698,095.

Revenues have been budgeted as realistically as possible using the available formulas from MRSC and other national and local economic trends. Property taxes are estimated using the 1.00% statutory limit resulting in \$2,572,042. Property valuations are estimated at \$1,169,110,047. Revenue from sales tax is distributed 50/50 between the General Fund and Street Fund.

Expenditures have been appropriated generally to preserve the welfare and safety of the citizens of Othello. As a service organization, the expenditures reflect levels of service to the City as a whole. Contracted service agreements such as fire and union reflect a slight increase. Capital items have been appropriated on the conservative side; however, items have been identified for long range planning, growth and safety.

The 2024 budget reflects the second of three years under new contracts for all union represented employees. When developing these contracts, our primary concern is to be fair to our employees. We review comparables to determine the going rate for different job classifications and build in incentives for further education and certifications. All non-union salary increases are set at 5.5%, unless otherwise negotiated.

The above is a general explanation of the budget document. The following paragraphs are a more detailed explanation and outline the recommended financial policies and programs of the City. The following also reflects the relationship with the recommended appropriations to these policies and programs. Minor changes from the previous year are indicated, as well as salient changes, appropriations and revenues. A summary will conclude this report making recommendations and changes to the fiscal policy.

General Fund Expenditures

The 2024 beginning fund balance for the General Fund is estimated to be \$1,247,828. New revenues are expected to be \$8,464,035 for total available resources of \$9,711,863. Total anticipated expenditures are \$9,307,965. The General Fund balance at the end of 2024 is anticipated to be \$403,899. The ending fund

balance exceeds the Council approved reserve of \$400,000, comprising of \$200,000 emergency reserves, and \$200,000 operating reserves. City resources, both work force and financial, were reviewed with the overall philosophy of "service to the public," balancing the scales. Although our revenues are not reflective of other City deficits, we need to continue to seek new revenue sources, grants, and creative revenue programs.

Civil services funding is at \$1,500. Capital expenses for Administration are \$147,226 mainly consisting of computer, network and camera system upgrades to city hall

The Police Department budget is 43% of the General Fund. In addition, the City will collect about \$488,671 from the new Public Safety tax passed by the county. This money is collected in its own fund and spent for police operations and equipment. Between the General fund and Public Safety tax fund, the city plans to fund a second school resource officer, two new squad cars, and \$68,000 in new equipment for the Police Department

Fire Services in the General Fund total \$696,475, of which \$475,609 is contract services with Adams County Fire District #1. We also budget \$27,100 for expenses relating to our retired LEOFF 1 members. In 2021 we paid \$440,974 down for the purchase of a new fire truck. In 2023 we paid the remaining \$192,179 for that purchase. These funds largely came from our Fire Reserve Fund which will end 2023 with a \$13,160 balance.

In the Parks and Recreation Department Recreational Services and Program Division, we've taken over the youth baseball programs of the city starting with 2017. City Council approved the addition of a Park & Recreation Coordinator in 2012 which now has a full time assistant to help with the additional youth programs. In the Recreational Pool Program Division and the Pool Facilities Division the budget anticipates a staffing level of approximately twelve lifeguards, a pool manager, and an assistant pool manager for the Aquatic Center.

The Park and Recreation Department supports park maintenance as well as capital expenditures. Our parks are the envy of other small cities and your continued support benefits the City of Othello. The 2024 budget will be larger than the 2023 budget. Capital projects for 2024 total include \$1,898,262 in grant funding for the futsal court & bathroom renovations at Lions Park, and the new spray park, lighting and walking trails at Kiwanis Park.

Mid-Columbia Libraries runs the library in the City of Othello. We maintain the building with a standard \$2,000 repair and maintenance budget. We also perform more extensive building repairs when needed. In 2020 we completed an upgrade to the roof and electrical system at the library.

Street and Transportation Improvement Fund Expenditures

The Street and Transportation Fund budget for 2024 represents 10% of the total city budget. Anticipated beginning fund balance for the Street Fund is \$998,496; total new revenues are estimated to be \$1,359,278; total available resources are \$2,357,774. Approved expenditures for 2024 are \$2,184,378 for an anticipated ending fund balance of \$173,396. Street capital expenses for 2024 include \$600,000 for a chip seal/seal coat project and \$150,000 for a crack seal project.

The Street Reserve Fund will begin the year with a balance of \$228,664. Revenues include \$8,500 in interest earnings. No expenses are planned from this fund in 2022. This will leave an ending fund balance of \$237,164.

Tourism Fund

The Tourism Fund is a promotional fund supporting community activities, festivals, and organizations that promote tourism for the City of Othello. The expenditure of funds is limited to tourism activities that promote Othello and bring non-residents to the community.

The Tourism Fund beginning fund balance for 2024 is expected to be \$54,266, with new revenues of \$66,000, for total available revenues of \$120,266. Total budgeted expenditures are \$90,200 with an estimated ending fund balance of \$30,066 for 2024.

Real Estate Excise Tax Fund

The beginning fund balance for the REET Fund in 2024 is \$151,673, with anticipated revenues of \$120,150, for total available revenues in the Real Estate Excise Tax Fund of \$271,823. Total expected expenditures for 2024 are at \$260,142 for renovations at City Hall and Lions Park. The ending balance is expected to be \$11,681.

Water Utility Fund

Beginning fund balance in the Water Fund for 2024 is projected to be \$1,407,842. Total revenues are likely to be \$4,900,535 resulting in total available revenue of \$6,308,377. \$3,600,827 has been appropriated for operational expenditures, and \$2,504,480 for capital expenditures, leaving an ending fund balance of \$203,070. Water capital projects include \$500,000 for the Well #7 rehabilitation and \$600,000 for water line improvements.

The Water Reserve Fund will begin 2024 with a balance of \$6,074,900. Revenues consist of \$230,000 investment revenue and a \$330,000 transfer from the water operating account. Leaving a fund balance of \$6,634,900.

Sewer Utility Fund

2024 beginning fund balance for the Sewer Fund is \$273,882. New revenue is anticipated to be \$3,504,141, for a total of \$3,778,023 in available revenues. Appropriated expenditures are \$3,702,897 leaving an ending fund balance of \$75,126. The 2024 budget includes \$200,000 for improvements at the sewer treatment plant and \$900,000 for the sewer lining project. Transfers from the Sewer Fund include \$55,000 to the Sewer Reserve Fund for general reserves.

The Sewer Reserve Fund will begin the year with a balance of \$10,726,051. Activities in this funds net to a \$378,000 transfer to the Sewer fund for capital projects, leaving a 2024 ending fund balance of \$10,713,051 of which \$200,000 is emergency reserves.

Solid Waste Utility Fund

The Solid Waste Fund is estimated to have a beginning fund balance of \$495,525 in 2024. New revenues are projected to be \$1,944,176 giving this fund \$2,439,701 in available revenue. \$2,076,948 in expenditures has been appropriated for 2024, resulting in an ending fund balance of \$362,753. Current expenses for 2024 include Adams County landfill fees of \$803,862 and \$547,752 for contracted services with CDSI. Capital projects for 2024 contain \$35,000 for alley approach restoration.

Crime Prevention Fund

Beginning fund balance in the Crime Prevention Fund for 2024 is projected to be \$733. Total revenues are likely to be \$15,000 resulting in total available revenue of \$15,733. \$14,000 has been appropriated for operational expenditures, leaving an ending fund balance of \$1,733. This fund is intended to operate as its cash flows allow. There is no minimum fund balance for this fund.

Reserve Funds

Beginning fund balance for all Reserve Funds in 2024 is estimated to be \$17,699,843. Total new revenues are \$3,479,041 and expenditures are \$2,876,442, leaving an ending balance of \$18,302,442. The lion share of this balance is from the Water (\$6,634,900) and Sewer (\$10,713,051) reserve funds.

Debt Service Funds

The City has the following Debt Service Funds and payments for 2024.

1. **Fund 220** - Public Works Trust Fund, Broadway (\$29,649) (final payment in 2026)

2. **Fund 225** - General Obligation Bond (2010), Main Street Construction Project (\$272,125) (final payment in 2031)

Summary

In summary, the 2023 budget is designed to:

- 1. Maintain levels of service.
- 2. Ensure completion of identified projects.
- 3. Meet contracted service obligations.
- 4. Meet statewide audit standards.
- 5. Identify programs for future years.
- 6. Meet personnel needs.

Recommendations

- 1. Actively pursue federal, state and local funding programs identifying matching funds.
- 2. Consider the benefits/cost ratio of the requested programs, projects, and equipment.
- 3. Evaluate new revenue sources during 2024.
- 4. Review comprehensive plan relative to growth of the City of Othello.

I hope that you will favorably consider the 2024 budget. Because the economic trends of our community, state and nation are ever changing, we must continue to manage the taxpayer's dollars with the utmost care and concern. With this in mind, we have limited expenditures where necessary and ask for expenditures only when needed. The compilation of the 2024 budget is a work of all city employees, at all levels. As a result, I believe the City Council has before it a budget that is practical, as well as successful, for completing projects for 2024. I would like to thank all of the staff members, in particular the Department Directors, who have taken the time to develop their budgets, and the City Mayor/Administrator for being the catalyst in coordinating their efforts. On behalf of the staff of the City of Othello, I present to you, the City Council of Othello, the 2024 budget.

νi

HOW DOES THE CITY PROCESS OR CREATE A LAW?

Citizens or council issues or concerns are brought to staff's attention.

ISSUES OR CONCERN

CITIZENS CAN:

- 1. Make contact with staff to voice a concern
- 2. Present an issue at the "Citizen's Input" portion of any council meeting.
- 3. Contact an elected official to voice a concern.

Staff researches issues/concerns and brings them to the attention of the Mayor/City Administrator.

Staff makes recommendation to City Council for code adoption, amendment, or repeal of code as appropriate

City Council takes action or no action as appropriate.

If any code revisions or creations are proposed, the City Attorney reviews the proposal for legal content prior to

Staff Recommendation

Mayor or City Administrator assigns staff to prepare for council review information.

At council workshop a review of the issue is discussed with subsequent staff report and recommendation of action.

The Code or Amendment becomes law 5 days after notice is published in newspaper.

NO VOTE or NO ACTION

No change in current law.

APPOINTED STAFF

Administrator	Shawn Logan
City Clerk	Tania Morelos
Finance Officer	Spencer Williams
Chief of Police	David Rehaume
Public Works Director	Curt Carpenter
City Attorney	Hillary Evans
Community Development Director	Anne Henning
City Engineer	Shawn O'Brien

This year we added 1 maintenance to the Public Works Department and one engineer tech to the Engineering department.

Community and Council Committee Members

Adams County Development Council

City Representative:

Mayor Shawn Logan

The Adams County Development Council consists of 21 board members, which includes a delegate from each of the five cities within Adams County, the County, the Port of Othello, private business, organized labor, and education and training institutions. The Economic Development Council is an advisory board to its members, whose mission is to enhance and promote sustainable economic vitality in Adams County.

Adams County Fire District #5 Council Committee

City Representatives:

- Councilmember Mark Snyder
- Councilmember Darryl Barnes
- Councilmember John Lallas

An agreement was formalized in September 2001 and updated in 2018 providing for the City to contract with Adams County Fire District #5 for fire suppression services. The Committee meets with the Fire District on a bi-annual basis.

Adams County LEOFF Board

• Member-at-Large: Robert Fuller

• Othello City Council Rep.: Genna Dorow

• Fire Dept. Representative: Duane Van Beek

• County Commissioner: Terry Thompson

• Police Dept. Representative: Doug Barger

The Adams County LEOFF Board is composed of five members as follows: one member of the legislative body of the County; one council member of a city located within the County; one fire fighter or retired fire fighter; one law enforcement officer or retired law enforcement officer; and one member from the public at large who resides within the County. The LEOFF Board meets quarterly and is responsible for performing all determinations as specified in RCW 41.26.

Adams County Mosquito Control Board

City Representative:

Tom Haworth

The Adams County Mosquito Control Board is composed of eight members as follows: one member from each Commissioner District and one member from each incorporated town or city within the County. The board meets quarterly and oversees the Mosquito District's role in providing for the suppression of mosquitoes, protecting the general public health, and enhancing the quality of life within Adams County.

Adams County Solid Waste Advisory Committee

City Representative:

• Engineer Tech Cameron Williamson

The Solid Waste Advisory Committee is an eightmember advisory committee appointed by the County Commissioners. The membership consists of a Council liaison from each of the incorporated cities within Adams County, members from public interest groups, waste management business and a citizen representative. They complete and update the Adams County Solid Waste Management plan and advise the County Commissioners regarding solid waste issues, to include a fee structure.

Auditing/Finance Committee

- Council members Corey Everett, Mark Snyder, & Danae Valdez
- Alternate: Genna Dorow

The Auditing Committee is appointed by the Mayor and is responsible for reviewing and auditing the City's claims checks and payroll prior to approval by City Council. The Auditing Committee's recommendation to approve the bills is forwarded to City Council.

Civil Service Commission

- Daniela Gomez
- Joe Montemayor
- Stacie Garza
- Secretary/Examiner: Tania Morelos

The members of the Civil Service Commission are appointed by the Mayor and hold a 6-year term. The Commission is responsible for adopting and upholding the rules for the personnel administration within the classified service. They oversee the holding of competitive testing under the supervision of the Secretary/Examiner, prepare a list of eligible candidates for vacancies, and certify the same. They also enforce the provision of the Civil Service rules and regulations, hear and determine appeals arising from these rules and regulations, investigate, and report on matters brought to them.

Law & Justice Committee

City Representatives:

- Mayor/Administrator Shawn Logan
- Councilmembers John Lallas, Corey Everett, Angel Garza
- Police Chief David Rehaume
- Court Administrator Jessica Melo
- Court: Judge, Prosecutor, Indigent Defense

The Law & Justice Committee negotiates interlocal agreements with Adams County for judicial services and dispatching services.

Othello Housing Authority Commission

- Gracie Garza
- Thalia Lemus
- Juan Garza
- Faith Cerrillo
- Jessie Dominguez
- Manager: Angelina Gomez

The Othello Housing Authority (OHA) was formed in 1966 under the authority of RCW 35.82 and operates autonomously under a Board of Commissioners appointed by the City of Othello. The Housing Authority's primary mission is to provide safe, sanitary and affordable housing for families who are in the lowest income group. The Housing Authority owns and manages 245 units of various levels of public housing throughout Othello.

Othello Planning Commission

- Chris Dorow
- Alma Carmona
- Brian Gentry
- Daniela Voorhies
- Kevin Gilbert
- Ruth Sawyer
- Maria Martinez
- Councilmember liaison: John Lallas
- Staff: Community Development Director Anne Henning and Secretary Zuleica Morfin

The Othello Planning Commission is a fivemember board, appointed by the mayor to serve six-year terms. The Planning Commission performs all of the duties specified in Chapter 44 of the session laws of 1935 of the State of Washington. The Planning Commission is responsible for long-term planning and to hear and consider matters regarding land use issues. This includes requests for zoning, conditional uses, platting and includes quasi-judicial public hearings.

Othello Parks & Recreation

- Councilmember Angel Garza
- Councilmember John Lallas
- Councilmember Genna Dorow
- Alternate: Corey Everett
- Mayor Shawn Logan
- Staff: Curt Carpenter, Valerie Hernandez

The Othello Parks & Recreation Committee meets to discuss policy issues, finance related issues such as rate setting & capital requirements, staffing levels & qualifications, and maintenance requirements. The Parks & Recreation Committee is responsible for long-term planning and the development of programs to enhance the various uses of the pool & public parks to benefit the community and help defer the expense of running the pool.

Profile of Othello

The City of Othello, known as the "Heart of the Columbia Basin", is located 110 miles southwest of Spokane and 190 miles southeast of Seattle. Othello is situated in the panhandle of Adams County and has a population of approximately 8,915 within the corporate limits, with an additional population of 8,000 within the Greater Othello area.

HISTORICAL POPULATION

(per United States Census Bureau, American Fact Finder)

Year	<u>City of</u> Othello	Adams County
2022	8,915	20,961
2021	8,725	20,900
2020	8,549	20,613
2019	8,386	19,983
2018	8,269	19,759
2017	8,202	19,681
2016	8,045	19,378
2015	7,700	19,244

The first homesteaders began to arrive in the arid Columbia Basin in 1901. In 1904 a post office was opened in Othello and in 1905 Othello was put on the state map. The Town of Othello was founded in 1907 and incorporated in 1910.

The City of Othello became a non-charter Code City government in January 1989 and operates under the direction of the Mayor and seven Council members, all of whom are elected by the citizens of the City. The City Council holds three regular meetings every month; a Council workshop is held on the first Monday of the month and regular Council meetings are held on the second and fourth Monday of every month. All Council meetings are open to the public and are held in the City Council chambers, located at 500 East Main Street.

Othello is fortunate to have a modern, well equipped hospital, and two medical clinics as well as other services that provide exceptional medical services to citizens. There are numerous civic clubs, fraternal organizations, and non-profit organizations that provide opportunities for

business and community leaders and programs for all ages to enjoy. Othello has an energetic Chamber of Commerce, with an office in the Old Hotel Art Gallery at 33 East Larch Street. The city has twenty-one churches and a network of local ministries to meet the spiritual needs of the community. The senior population can enjoy time at the Senior Citizen Center. An Assisted Living facility is also available.

A great deal of the City's history is farm oriented, which developed rapidly when the Chicago, Milwaukee, St. Paul and Pacific Railway was running through the area. From 1950 to 1974 the Othello Air Force Radar Base was active. This base was located 5 miles south of the City. In the early 1950's the Columbia Basin Irrigation Project provided water which brought the dry arid desert to life and created a farming industry that competes globally.

Othello has two large potato processing plants and two fruit processing plants. There are other major manufacturing firms in the community as

well as cold storage facilities which employ hundreds of Othello workers. The major employers in Othello are McCain Foods, the Othello School District, J.R. Simplot, SVZ, Wal-Mart, the City of Othello, and the East Columbia Basin Irrigation district. There are commercial districts, restaurants, specialty stores, salons, and other businesses to meet the everyday needs of citizens.

The City has a staff of 65 full and part-time employees.

The City administration staff has 17 full-time employees. Administration covers the city administrator; finance, i.e. payroll, accounts payable, and utility billing; city clerk's office including contracts and records management; information technology department; planning/building and engineering department.

We started our own Municipal Court, 2023, with 2 employees. A Court Judge and Court Administrator.

The police department is made up of 27 employees. 17 commissioned officers, 8 dispatchers (6 full-time and 2 part-time), an administrative assistant and a code enforcement officer. The police department also has two School Resource Officers. The City of Othello provides dispatch service for Othello ambulance services and Adams County fire District #5.

The public works department is made up of 16 full-time employees. Public works activity

includes operation and maintenance of the city's water, sewer, streets, storm water, and parks.

The Park and Recreation department employs 1 Coordinator and one assistant. The city is fortunate to have 64.67 acres of beautiful parks to enjoy. Besides open spaces for activities, there is an aquatic center, basketball courts, baseball fields, a concession stand, tennis courts, playground equipment, covered picnic shelters, a natural amphitheater and walking paths to enjoy. Volunteers and organizations have planned many successful festivals and events for citizens and tourists to enjoy. These include the Sandhill Crane Festival, which is held the third weekend in March; the All City Classic Car meet; and the 4th of July SunFaire event. The Othello Chamber hosts a Farmers Market in Pioneer Park, which sells farm produce and other specialties beginning in May through October, depending on availability of the produce.

The area is abundant with outdoor recreation. The Columbia National Wildlife Refuge is approximately 5 miles from the city and has 23,200 acres to enjoy fishing, hiking, biking, sightseeing, and wildlife viewing. The Coulee Corridor has been established as a tourism byway route beginning in Othello and extending north to Omak through Coulee Dam along SR 17 and SR 155. There are several public golf courses in the area to enjoy and bird hunting has always been an asset to the area. Our wonderful, seasonal weather makes it pleasant to enjoy all types of outdoor recreation.

City of Othello Economics

Located in the southwest corner of the Adams County panhandle, the City of Othello is situated at the intersection of State Highways 17, 24 and 26, connecting it with other major north-south and east-west transportation routes. Othello is 24 miles south of Moses Lake, 47 miles north of the Tri-Cities, 110 miles southwest of Spokane and 190 miles southeast of Seattle. The terrain of the business center is flat to gentle rolling hills at an elevation of 1,099 feet above sea level.

Agriculture and Industry

The abundance of water for irrigation, made available by the Columbia Irrigation Project, has enabled the area to develop as a very stable cropproducing region. Sixty-seven commercial crops are raised within the Irrigation Project area including small grains, alfalfa, vegetables, fruit orchards, seeds and field crops; including beans, corn, and mint. The total irrigated acreage of the

area exceeds that available in Yakima and Wenatchee valleys, which are two of the state's largest agricultural production and processing centers.

Industry in the area is centered on agriculture. Major industries consist of two large food processing corporations; McCain Foods Western Division and Simplot Food Group. Both corporations process mainly potatoes for distribution throughout the U.S. The City is also home to cold storage, seed processors, fruit processing, farming operations, and vegetable processors.

Future Growth

The Port of Othello was established in 1966 to promote economic expansion within the

panhandle area of Adams County. The port of Othello provides infrastructure support for 20 businesses in the 42.8-acre Bruce Industrial Area. In 1994 the Port completed construction of an additional well and elevated storage at the Bruce site. The Port has an additional two hundred acres available for development as industrial and commercial sites. One hundred and eighteen acres are currently under agricultural production varying in size from 25 to 65 acres. Businesses at the Port provide jobs for 150 to 250 employees, depending on the time of year. Some commercial sites are improved with utilities and rail access.

The Adams County Development Council, along with the Port of Othello, community leaders and business owners, are actively marketing the area to attract new food processing firms. Interest has been favorable.

Budget Philosophy & Policy

During the past several years the Othello City Council has taken a conservative approach to budgeting which has led to the establishment of healthy reserves and low debt. City staff has been very successful in providing a maximum level of services for minimum cost. The demand for services and facilities continues to increase. Growth from new construction has kept Othello ahead of the curve. Sales tax revenue has increased due to growth. Implementation of the new Streamlined Sales Tax Initiative by the State of Washington has not had a detrimental effect on revenue.

In 2005 City Council approved several new financial policies for better guidance in the administration of each of the City's Funds. Current financial policies established by City Council include the following:

- General Fund The General Fund shall have a fixed minimum balance of \$400,000. This balance will be broken down between two reserves: Operating Reserves of \$200,000 and Emergency Reserves of \$200,000.
- Water Utility Fund The Water Fund shall have a fixed minimum balance of \$200,000. To increase Water Fund reserves for future water capital projects, Council determined that excess funds, over and above the minimum fund balance, will be transferred to the Water Reserve Fund.
- Sewer Utility Fund The Sewer Fund shall have a fixed minimum balance of \$75,000. To increase Sewer Fund reserves for future sewer capital projects, Council determined that excess funds, over and above the

minimum fund balance, will be transferred to the Sewer Reserve Fund.

- Street Fund The Street Fund shall have a fixed minimum balance of \$150,000. To increase Street Reserves for future street capital projects, Council determined that excess funds, over and above the minimum fund balance, will be transferred to the Street Reserve Fund.
- Reserve Funds City Council determined that it is in the best interest of the City that the following reserve funds maintain a minimum fund balance as follows:
 - Gen'l Fund Reserve Fund \$150,000
 - Water Fund Reserve Fund \$200,000

- Sewer Fund Reserve Fund \$200,000
- Street Fund Reserve Fund \$200,000

It has been an unwritten policy that Council receives a balanced budget for their approval. A balanced budget is defined as a budget where operating expenditures do not exceed operating revenue. Therefore, this budget is presented without capital expenditures, which are considered one-time expenditures as opposed to on-going expenditures. Council reviews the capital expenditure requests and funds them through the use of utility taxes or fund reserves.

As population and vehicular traffic increases on city streets, so does the need for better maintenance and improvement to the street system as well as other infrastructure requirements. Current State mandates have increased demands for planning/engineering along with related services. There are also several community projects that will need to be addressed in the coming years. The City will

continue to approach the future with a conservative outlook on revenues and attempt to provide the highest possible services to the citizens of this community at the least cost.

The Othello area has recently experienced a significant increase in growth related activities. Some of those activities include annexation requests, plat requirements, building standards, zoning, and availability of utilities. City officials are responding to this activity in a manner that will allow and encourage orderly growth while preserving quality of life. The City has adopted policies regarding the extension of utilities outside the city limits and standards of construction for developments that receive city utilities. The policies are meant to address the negative impacts of urban sprawl upon a community. The Council has stated its intent for developers to pay their fair share of development costs. Orderly growth and preserving our quality of life continues to be a high priority for the city.

Budget Overview & Process

The budget is an essential element of the financial planning, control, and evaluation processes of government. Planning requires department heads to carefully evaluate, assess, and prioritize their department needs. Types of service and levels of service are determined through the planning process. Council contributes to the planning stage by setting goals for the City, both current and future. The Council is heavily involved with the development of the annual budget, through committee meetings. Spending controls are kept in place through regular communication with the Finance Committee and the City Council approval of the annual budget. State law requires the city to establish the annual budget by Ordinance.

The City reports financial activity using the revenue and expenditure classifications contained in the *Cash Basis Budgeting, Accounting and Reporting System* (BARS) manual. This basis of accounting and reporting is another comprehensive basis of accounting (OCBOA) that is prescribed by the State Auditor's Office under the authority of Washington State law, Chapter 43.09 RCW.

The finance department monitors revenue and expenditures. Department heads receive monthly reports to review their expenditures and are responsible to the City Administrator for staying within their budget. Council receives monthly financial reports from finance to keep them updated.

The 2024 budget process began with department heads preparing their capital expenditure requests. General operating expenditures are then reviewed by the department heads and their requests are submitted to the finance department. Salaries, benefits and debt service are added by the finance department. The requests are then forwarded to the Administrator and mayor along with estimated revenue in the form of a draft.

The draft is revised by evaluating the impact of the requests on the City's needs and goals. In late 2023, during the 2024 budget process, a series of council committee meetings were scheduled with

staff and council. During these meetings department heads discussed their needs and goals and the level of service they provide to the citizens. They included in their discussions the goals accomplished during the current year along with future needs and goals. A preliminary budget is prepared and made available to the public. Council determines if any adjustments to the preliminary budget are needed, a public hearing is scheduled, and the final budget is adopted no later than December 31st.

City Council adopts the annual budget at the fund level. Enacting an ordinance establishes the amount of appropriations allowed by law.

During the course of the year, activity is monitored by comparing actual revenue and expenditures to appropriated revenue and expenditures. Programs, goals and objectives can be monitored through evaluating the various department budgets. This information assures city officials that the City is in compliance with the adopted budget. If changes are required to the adopted budget, an amending ordinance is presented to Council for approval. The Mayor approves line item changes within each fund.

Adams County is not included under the Growth Management Act; however, the City's Capital Facilities Plan (CFP) is formatted like a Growth Management Act document and is adopted during the budget process. The CFP is a long-term planning tool used to assist the city in identifying long-term needs and financing options. The CFP is a six-year plan and is updated annually.

Calendar for 2024 Budget Development

July 20, 2023	Request to department heads for estimated revenue and expenditures
September 13, 2023	Revenue sources public hearing notice published.
Sept 26 - Oct 10, 2023	Council budget committee meetings.
October 2, 2023	Public hearing - 2024 revenue sources
November 1, 2023	Published notice of public hearing for 2024 – 2029 capital facilities plan.
November 1, 2023	Published notice of public hearing for proposed budget.
November 6, 2023	Budget workshop with full Council

November 13, 2023	Proposed budget available to the public.
November 13, 2023	Preliminary budget and message due to City Clerk and Council.
November 27, 2023	Public hearing on 2024 budget
November 27, 2023	Public hearing for 2024 – 2029 capital facility plan.
November 27, 2023	Adoption of 2024 Ad Valorem Property Tax
December 4, 2023	Adoption of 2024 – 2029 capital facility plan.
December 4, 2023	Public hearing on proposed 2024 budget
December 4, 2023	Adoption of 2024 budget.

Governmental Accounting

The Washington State Auditor's Office prescribes the accounting and reporting of local governments in the State of Washington, under RCW 43.09.200. This prescription is carried out using Budgetary, Accounting, and Reporting System (BARS) manuals and financial reporting packages. The method and complexity of the accounting and financial statement reporting is determined by the entity. Cities are divided into two categories as follows: <u>GAAP reporting</u>; local governments in this category must use the chart of accounts for budgeting and reporting in conformity with generally accepted accounting principles (GAAP). <u>Cash Basis reporting</u>; local governments in this category may follow single-entry accounting and cash basis reporting procedures which do not conform to GAAP.

Government accounting systems should be organized and operated on a fund basis. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. Each fund is a separate unit for accounting purposes, but all are added together to make up the whole. There are rules set up by the State that dictate each type of fund, how the revenue is accounted for, and what the revenue may be used for. The types of funds and the funds that the City of Othello uses are:

General Fund

This fund is used to account for all financial resources except those required to be accounted for in another fund. The City of Othello identifies the General Fund as Fund 001. This fund is commonly referred to as the Current Expense Fund.

Special Revenue Funds

Special revenue funds are used to account for proceeds of specific revenue sources that are legally restricted to expenditures for specific purposes. The City of Othello uses the following Special Revenue Funds:

- Street Fund 101
- Donations Fund 111
- Tourism Fund 114
- Public Safety Fund 116
- ARPA 119
- Transportation Improvement Fund 195

Cumulative Reserve Funds

Cumulative reserves are dollars set aside for future needs of the city or for specific projects or allocations. The City of Othello uses the following Cumulative Reserve Funds:

• Park & Recreation Reserves 103

- Real Property Acquisition 104
- LEOFF 1 Reserves 105
- Fire Reserves 106
- Water Fund Reserves 107
- Sewer Fund Reserves 108
- Solid Waste Fund Reserves 109
- Street Fund Reserves 110
- Crime Prevention Fund 112
- Investigation Fund 113
- General Reserve 115

Debt Service Funds

Debt Service Funds are to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest. One or more funds contribute to debt payment. The City of Othello uses the following Debt Service Funds:

- Debt Service Fund 220 PWTF loan for the Broadway Street project.
- Debt Service Fund 225 General Obligation Bonds. These bonds were issued to fund reconstruction of Main Street.

Capital Project Funds

To account for financial resources to be used for the acquisition or construction of major capital facilities. Othello uses this category to isolate grant dollars. The following fund is considered a capital project fund:

- Complete Streets Project Fund 310
- Real Estate Excise Tax Fund 335

Enterprise Funds

Enterprise Funds are used to report any activity for which a fee is charged to external users for goods or services. These funds are operated much like a private business. The City of Othello currently uses the following Enterprise Funds:

- Water Utility Fund 401
- Sewer Utility Fund 404
- Solid Waste Utility Fund 406

Trusts and Required Reserves

Trust Funds and Required Reserve funds are used to set aside dollars that are held in trust like deposits on equipment use, water deposits, or reserves required in Bond covenants. The City of Othello has the following Trust and Required Reserve Funds:

- City Property Deposit Trust 621
- Agency Funds 631
- Municipal Court Fund 640

Labor Relations

The City has 62 full & part time employees. 37 employees are represented by two labor organizations: 13 employees are covered by Operating Engineers Local No. 280, and 24 employees are represented by Teamsters Local No. 760. The City executes agreements with each of the bargaining units on salaries, vacation, sick leave, medical and dental, grievance procedures, and working conditions. Each of these contracts expires December 31, 2025. The City strives to be fair to employees, to be consistent with all applicable state laws, to ensure equity and to promote labor relation policies beneficial to both employees and management. City officials

consider all current labor relations to be satisfactory.

Pensions for City employees are provided through the Washington State Department of Retirement Systems using either the Public Employees Retirement System (PERS II, or PERS III) or the Law Enforcement Officers and Firefighters LEOFF I and LEOFF II), both of which are cost sharing, multiple-employer public employee retirement systems. The following are the 2022-23 rates of contribution for the City and the employee:

Retirement Plan	City Contribution	Employee Contribution			
LEOFF II	5.32%	8.53%			
PERS II	9.53%	6.36%			
PERS III	9.53%	5% - 15%

Departmental Budgets

GENERAL FUND

The General Fund is the City's Operating Fund and is the largest and most diverse fund within the City. The General Fund accounts for financial resources of the City which are not accounted for in any other fund. Principle sources of revenue are property tax, sales tax, licenses & permits,

intergovernmental revenue, charges for services, grants, and interest income. Key expenditures include City Administration, Police, Fire, Park & Recreation, Planning, Building and Code Enforcement, and Facility Maintenance.

GENERAL FUND REVENUE SOURCES

Property Taxes: Property taxes are levied on 100% of assessed valuation as determined by the Adams County Assessor's office. The city's tax rate is 1.7908151635 (city portion only) per thousand dollars of assessed valuation for collection in 2024. The assessed value of

<u>Sales Tax:</u> A 8.2% sales (or use) tax is collected on every taxable event in the City of Othello. The City will collect approximately \$2,100,000 in sales tax dollars in 2024. This amount is shared between the General and Street funds of the city.

property for 2023 is \$1,169,110,047 which is used to determine the 2024 property tax collections of \$2,572,042. At this time the maximum Property Tax increase allowed is 101% of the highest previous request.

<u>Licenses and Permits:</u> Licenses and permits are made up of business licenses, franchise permits, building/placement permits, animal licenses and miscellaneous other permits. Licenses and permit fees are set by city ordinance.

Intergovernmental Revenues:

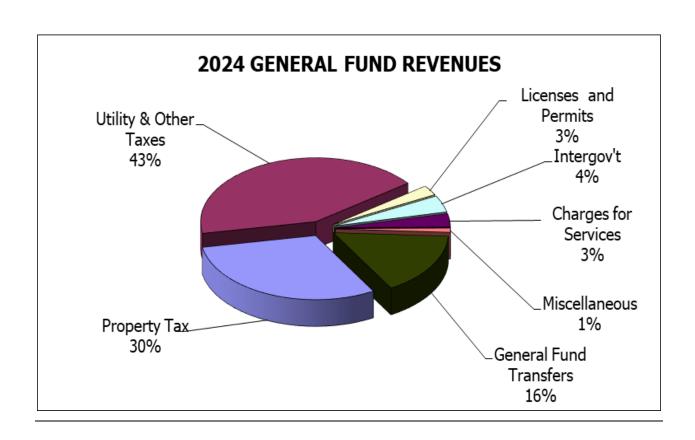

Intergovernmental Revenues are revenues received from the state or county. State distributed criminal justice funds are used to assist local governments in the area of public safety. Other intergovernmental revenues include the Liquor Excise Tax and Liquor Board Profits, which are distributed based on population. Portions of these revenues are mandated for alcohol prevention programs. Othello also receives Sales Tax Mitigation payments to offset the Streamline Sales Tax Initiative, and City Assistance dollars from the State to help replace revenue lost when the Motor Vehicle Tax went away. revenue is received from Othello Hospital, and Fire District #5 for E-911 dispatch services.

<u>Charges for Services:</u> State law allows cities in Washington to recover charges for services.

Currently the City of Othello charges fees for finger printing, plan reviews, reservation of shelters, swimming pool fees, ball field use, photo copies, etc.

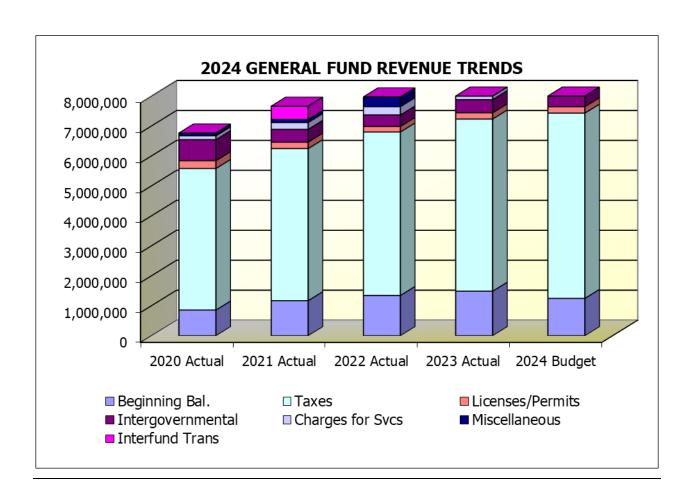

<u>Miscellaneous Revenues:</u> The majority of miscellaneous revenue is interest earned on investments. Other areas include building rentals, salvage, and concessions at the swimming pool.

Interfund Transfers: Although Internal Transfers are not new revenues received by the City, they are new revenues received by a fund. Each transfer of funds has been authorized by the City Council and is shown as revenue into the receiving fund and expenditure out of the providing fund.

General Fund Department Expenditures

General Fund expenditures are allocated by department. Departments consist of General Administration, Police Department, Fire Department, Park and Recreation, Planning and Building, and Library. The pie chart below illustrates the allocation of General Fund expenditures by department.

Administration Department

The Administrative Department consists of the legislative, executive, financial, clerical, and information technology branches of the city. This includes the functions of the Mayor and Council as they serve the citizens of the community. The support staff is responsible to see that the policies of the Council are carried out and to see that the City adheres to rules, regulations, and functions, as required by law.

Staffing for Administrative Departments consists of the City Administrator (Mayor), Administrative Secretary, City Clerk, Deputy City Clerk, Finance Officer, Deputy Finance Officer, Utility Billing Clerk, Accounts Payable Clerk, Grant Administrator, Community Development Director, Building/Planning Secretary, Building Inspector, Engineer, Engineer Tech, and an Information Technology Director, IT Specialist, for a total full-time equivalent (FTE's) of 16 employees.

<u>City Council</u> represents the Legislative branch of the Administration Department. City Council are the policy makers for the City of Othello. The Mayor is Chief Executive Officer, responsible for carrying out policies of the Council.

The Executive branch consists of the Mayor, City

Administrator, and Administrative Secretary. The Administrator is the primary liaison between citizens, the Mayor, Council, staff, and other governmental entities for the City. Administrator responsibilities include:

- Supervision, administration and coordination of activities and functions of the city's offices, departments, commissions, and boards to carry out requirements of City Ordinances and the Policies of City Council.
- Assist in the preparation of the Annual Budget.
- Supervise and audit city expenditures to keep expenditures within the limits of the annual budget.
- Human Resources Director.
- Investigate complaints in matters concerning the administration of the City.
- Receive all claims filed against the City.

<u>Finance Department</u> personnel consist of the Finance Officer, Deputy Finance Officer, Utility Biller, Accounts Payable Clerk, and Grant Writer. Finance responsibilities cover the management and administration of the city's finances: investments, accounts payable, payroll, billing and revenue. Finance is responsible for the following:

- Organization and supervision of the financial operations of the City.
- Receipt and distribution of City funds in a protected manner in accordance with applicable city ordinances, policies, state laws and regulations
- Preparation of the Annual Budget and Annual Financial Report
- Maintenance and safekeeping of the City's investments
- Understand and keep current on federal, state and local rules and regulations for municipal finance and accounting.
- Maintain the City's financial records in accordance with the State Budgeting Accounting Reporting System (BARS)
- Maintenance of the Utility billing data file and preparation of Utility Bills.

<u>The Records Department</u> consists of the City Clerk and Receptionist. This department is responsible for all official city records and

documents and is Clerk to the City Council. The City Clerk's Department is responsible for:

- Office Management of City Hall.
- Preparation and distribution of Council agendas and minutes.
- Issuance of Business Licenses and public dance permits.
- Auditing all city Vouchers and checks.
- Validating, publishing and retaining all city documents, according to state regulations.
- Civil Service secretary and examiner.
- Understanding & keeping current on federal, state, and local rules and regulations regarding public disclosures and business licensing.

Other areas covered by Administration include facilities, legal services, risk management, information technology, and community related expenditures. The Facilities department covers day-to-day operations of the building including janitorial services, utilities and repair and maintenance.

Risk Management includes monitoring and reporting the comprehensive economical liability insurance of the City. The City of Othello is a member of the Washington Cities Insurance Authority (WCIA). WCIA provides a combination of self-insurance, standard insurance coverage, risk management consultation, claims and litigation administration, and loss analyses.

The City has an employee Safety Committee. The committee assures that the accident prevention program is updated and will sponsor several safety educational sessions for all employees.

The City is also a member of the Association of Washington Cities Labor & Industries Compensation Retrospective Pool Program (AWC Retro Pool). The retro pool program provides third party administration of the City's L&I claims and provides accident prevention and safety and loss control services.

Administration Accomplishments

During 2023 the Administrative Department accomplished the following:

- Completed the physical setup of the Othello Municipal Court.
- Continued IT upgrades around City Hall Including upgrades to the network and city servers.
- Review and update city personnel policy.
- Adopted a City Council code of conduct.

- Hire FCS Group to assist us in a water rate equitability study.
- Completed union negotiations for final collective bargaining unit.

General Administration Operational Statistics

	2018	2019	2020	2021	2022	2023	% CHANGE

Business Licenses Issued	972	1113	851	770	837	869	3.82%

Administration Goals

The Elected Officials' goal is to plan and provide for the needs of the citizens of Othello. This is to be accomplished by providing guidance and direction for the future and growth of Othello by continuing open communications between staff and council; council and citizens; council and businesses; and council and other entities such as Adams County, Othello School District, Othello Port District, and state officials

The goals of the Administrative Staff include coordinating and directing efforts of all city departments to work together to accomplish the goals of the City. This includes providing information (needs, possibilities, financial consulting, legal requirements, etc.) needed by the Council in making decisions, conducting the daily on-going business of the City, and the continued effort to provide quality service to the citizens of Othello. Additional goals include:

- Move city data to cloud-based system for enhanced security and ease of access.
- Continue updates to the City website.
- Expand the Credit Card capability of the city for utility payments and park and recreation events.
- Digitize records in the vault.
- Implement electronic signature capabilities.

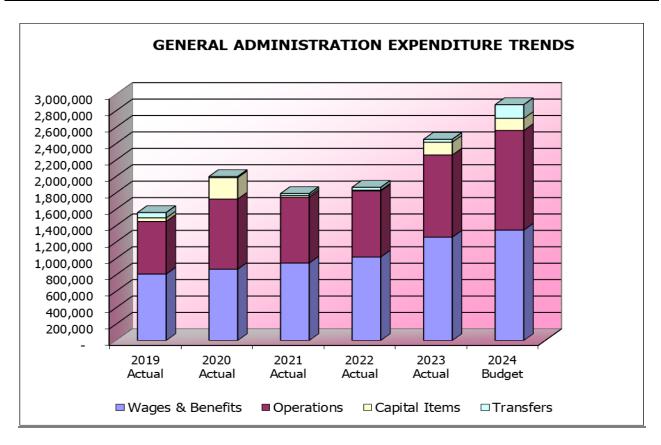

- Further develop our personnel policy to include use of texting/cell phone archiving.
- Contract professional services to continue with upgrades to our water and wastewater systems.
- Continue professional development with administrative staff.

General Administration 2024 Expenditures

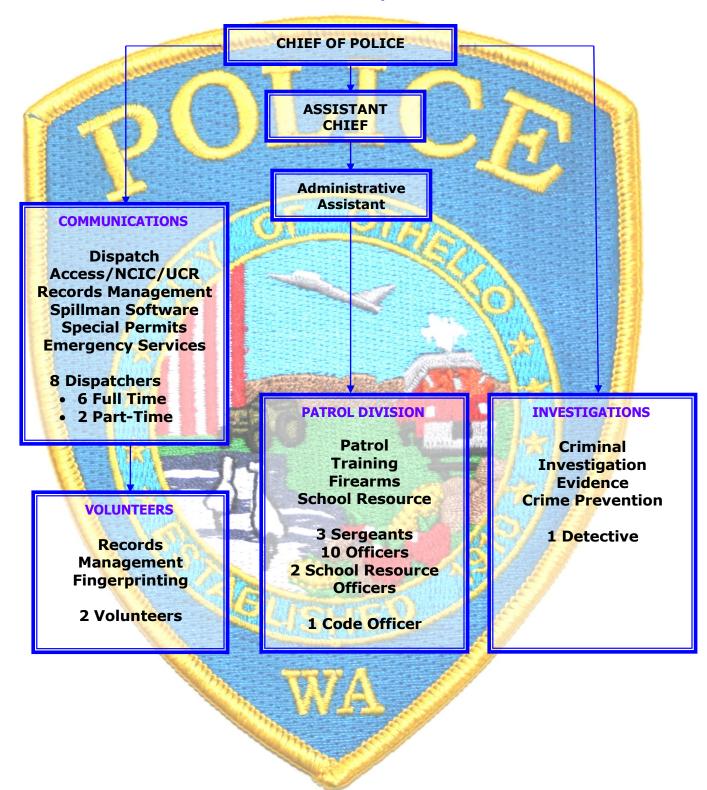

Because the General Fund is largely a service fund, the majority of the expenses in this fund are for payroll and related administrative costs. The implementation of the General Fund Cost Allocation Plan has centralized administrative payroll and operating expenditures, resulting in higher administrative expenditures. The Street, Water, Sewer, and Solid Waste Funds reimburse their allocation to the General Fund for these common expenditures. Administration capital expenditures included in the 2022 budget are the purchase of new computers on the rotating replacement schedule, upgrades to our backup system and network switch, upgrades in the council chambers, and an allocation for exterior maintenance to the City Hall building.

Othello Police Department

Othello Police Department

Mission Statement: The mission of the Othello Police Department is "We Serve to Protect".

Vision: To improve the quality of life for every resident, business and visitor by proactively delivering effective equitable and responsive police service.

The Othello police department consists of 18 police officers sworn to serve this community. Each has taken an oath to support the Constitution of the United States and the State of Washington along with the Charter and Ordinances of the City of Othello. The team further consists of six full-time dispatchers with two part-time, an administrative assistant, and a code enforcement officer and volunteers.

Police Department Goals for 2024

Training

- Provide 24 hours of training for all officers
- Provide 12 hours of training for all fulltime dispatch
- Train 2 range instructors
- Department wide Patrol Tactics training
- EVOC
- SRO

Essential Equipment

Purchase 2 new police vehicles

- Booking room upgrade
- Drone Camera
- Celebright

Staff

- Maintain full staffing level
- 3 criminal justice classes (two entry and one advanced)
- Establish 20-26 Police Explorers

Accreditation

 Attain re-accreditation via Washington State Chief's and Sheriff's Association.

2023 Police Department Expenditures

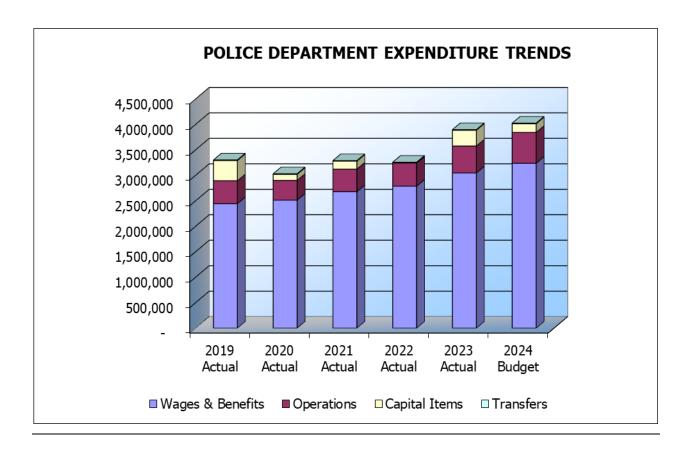

The Police Department takes seriously their mission "We Serve to Protect". Every year they achieve their goals with a minimal budget. They strike a careful balance between maintaining appropriate staffing levels and providing training and equipment to get the job done. Dispatch is also critical as it provides 911 services for our local Hospital and Fire Districts.

Code Enforcement

Code Enforcements main purpose: zoning and building compliance, business licensing, off-street parking, abandoned vehicles, weeds, rubbish, human sanitation issues. This position has the authority to issue notice of infractions, stop work orders, and notice of violation & order to correct.

Police Department Expenditure History

Fire Department Services

In 2001 Othello contracted with Adams County Fire District #5 for city fire services and inspections. The contract was updated in 2018. By contracting with the County, the City has eliminated some of the dual roles that the two fire departments have had in the past. The City is still responsible for LEOFF I liability insurance and capital expenditures related to fire equipment and City owned buildings.

Adams County Fire District #5

Three commissioners support Adams County Fire District #5; Jay Weise, Peter Anderson and Chad Smith. Fire District #5 administrative staff includes Chief Gary Lebacken, Assistant Chief Tom Salsbury and a District Secretary.

The District covers an area of 215 square miles with a population of approximately 20,961 and works out of three stations: the District station is located at 220 S Broadway in Othello; the City Station is located at 250 S Broadway in Othello, and the third Station is at Bruce on Booker Road east of Othello.

Goals for 2024 are to continue with fire safety inspection of all commercial business within the city limits including schools and care centers. The City Administrator, Building Official and the Police Department work closely with the Fire District to ensure compliance of fire and safety issues.

Each year new firefighter training classes are held to ensure that the department has trained personnel within the response area.

Since combining the Fire District and the City Fire Department, the department is able to offer both daytime and nighttime training classes to meet the needs of the volunteer recruits. With

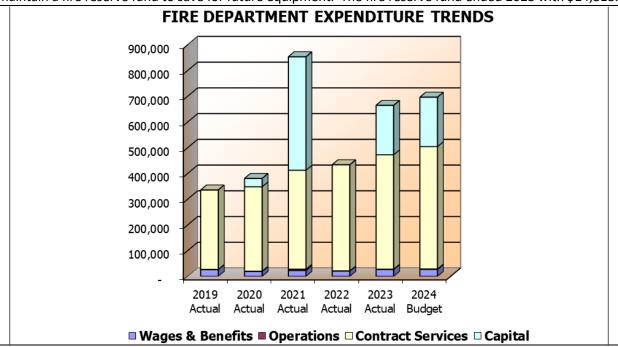

the added training time, a higher percentage of firefighters will be able to attend this annual training.

In 2023 Fire District No. 5 responded to 182 city call outs and completed 294 inspections and 65 reinspection's for the city.

Fire Department Expenditure History

Fire Department	2019 Actual	2020 Actual	2021 Actual	2022 Actual	2023 Actual	2024 Budget	2023 / 2024 Chg. %
Wages & Benefits	26,062	18,981	22,807	20,438	26,885	27,100	0.80%
Operations	939	930	5,120	946	1,176	1,650	40.31%
Contract Services	308,769	328,273	384,604	412,333	444,495	475,609	7.00%
Capital		32,329	440,974		192,179	192,116	0.00%
Total	335,770	380,513	853,505	433,717	664,735	696,475	4.77%

Contracted services with Adams County Fire District #5 for 2024 will be approximately \$475,609 In 2007 the department spent over \$400,000 for a used ladder truck that was in excellent condition. The city purchased a new \$32,000 SUV for the Fire Department in 2012. In 2016 we spent \$33,485 for a new generator. In 2020 we spent \$32,329 to recoat and stripe the shop floor. In 2023 we are purchasing a new firetruck for \$633,153. In 2023 we also budgeted to spent \$195,000 on breathing apparatuses. We maintain a fire reserve fund to save for future equipment. The fire reserve fund ended 2023 with \$14,818.

Park & Recreation Department

The City takes great pride in offering a variety of facilities and programs for our youth. We also plan to start sport programs for adults in 2024.

Each youth program will be made available once each year, ensuring young participants have the chance to engage in all offerings.

The Lions Park ball field is home to Othello Little League Opening Day. It was an amazing grand

opening in 2021 and we continue this tradition today. The field is open to the public and is home of multiple sports leagues throughout the year.

The Parks and Recreation Department has

also expanded opportunities to the public by raising the Othello Youth Soccer cut-off age from 7 to 12 years old. Youth Soccer program was moved to Taggares Park in 2022, this allows us to have all soccer at one location. In 2024 we will hold a spring season at Taggares Park. In 2023 we had 669 youth soccer participants.

We will hold a Youth basketball league this fall and winter and hope to run an adult 3 on 3 league on our newly constructed basketball courts at Lions Park.

Last year we hosted two youth NFL flag football seasons, one in the Spring and one in Fall. The Spring season was held at Taggares Park because we still had the daylight. The Fall season was held at Lions Park because we have our new Musco field lighting. This year we will hold the NFL flag football in the Summer/Fall, at Taggares park.

We will host an adult co-ed volleyball league at Lions Park, in the summer. Then a women's volleyball league in the Fall/Winter, using the School District facilities. An adult co-ed softball league will be held at Lions Park, in the fall.

To host these programs, we are constantly renovating our facilities. We are upgrading playground equipment, improving walking rails, and upgrading shelters. We recently renovated the announcer booth at Lions Field. We upgraded the concessions stand with new appliances. This was a great addition our 2023

year with tournaments and events we hosted.

The Othello Community Pool is a family-friendly environment that offers a safe, clean, and fun place to swim. The pool is open daily for public

use and can be reserved for special occasions. In 2023 we held 3 sessions of swim lessons that had 327 participants. We are the home of our local swim team, the Barracudas, who use it for practices and swim meets. In 2024, the Barracudas will host the state swim meet in July.

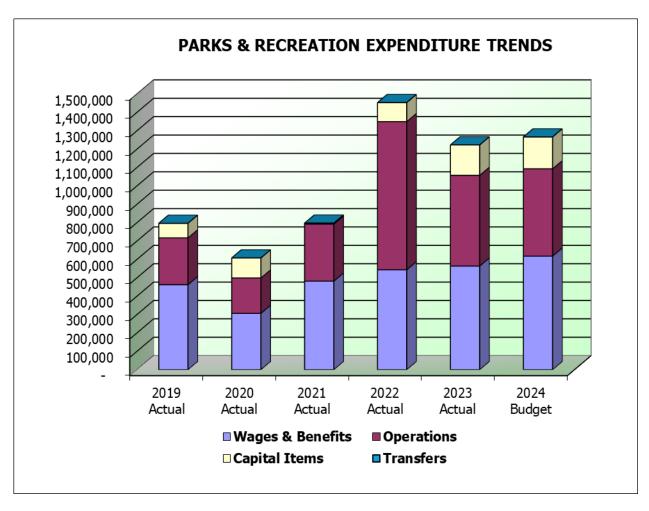

We are also continually updating our pool facilities, both for storage of gear and facilities for the public.

We hosted 10 special events in 2023. The City hosted the state little league baseball event and the little league block party. Players and families came from across state to participate in this event. Other community events were put on by non-profit organizations. These included the 4th of July celebration, Chicano tournament, Spud run, Family movie night, Color run, Fiesta De Salud, Family fall festival, and the Christmas on main street event. These events will continue into 2024.

Parks & Recreation Department Expenditure History

Planning & Building Department

The Planning Department looks at current and long-term planning and growth. All new subdivisions, utility expansions, and annexations impact our community, and the Planning Department's focus is to maximize the positive impacts while minimizing the negative impacts. Current planning works with developers on building permits and subdivisions to make sure zoning, platting, environmental, and

other planning standards are met. Long-range planning works to create, update, and modify zoning and development regulations, which are used to guide our community in providing well-designed and economically viable growth. Long-range planning involves the Planning Commission, which consists of seven community members appointed to six-year terms by the Mayor and confirmed by City Council.

The Building Department enforces the Washington State Building Codes and Othello Municipal Code to assure the health and safety of the public. Primary duties include reviewing plans for compliance with building codes, building inspection, working with the Code Enforcement Officer to resolve violations of building codes and other development codes, and assisting the public/contractors/developers. A significant percentage of permits issued are "do-it-yourself" permits; therefore, education, design assistance, on-site problem-solving, and document assistance are a major demand on staff resources. The department provides educational literature for many common projects.

The Planning and Building Department has three full-time staff: A Community Development Director/Planner, Building Inspector, and Secretary/Permit Technician. The Secretary also assists with general City Hall front counter duties, such as receiving utility payments and answering the main city hall phone line. The City contracts with Adams County Fire District 5 for Fire Code review and inspection of commercial, industrial, and multi-family permits.

2023 Accomplishments

- 184 permits were issued, on \$19.4M valuation
- 1574 inspections completed

¹Valuation for commercial permits only, we do not charge based on valuation for residential mechanical or plumbing permits.

Significant projects finished in 2023:

- City Hall/District Court remodel
- STCU new location
- SVZ office building
- Public Works building remodel and façade
- Lions Park concession stands & announcers booth
- Restrooms at Taggares Park
- Remodel/addition/new equipment at carwash, 251 E. Main

Notable projects started in 2023:

- New ambulance station at Hospital
- Car wash & espresso stand at Pik a Pop
- Evidence storage shed at Sheriff's Office
- Old Hotel kitchen remodel
- Replace sunroom at Golden Fountain
- Remodel/renovation at Parks & Rec bldg.
- Remodel to add Engineering office at Public Works

Rental Licensing & Inspection Program

2023 Rental Licenses							
2023 2022 2021							
Applications	20	87	70				
Inspections	241	141	74				
Approved sites	92	47	25				
Approved units 207 78 40							

- This is the third year of this program. We continue to work on getting units licensed and inspected.
- In 2023, we sent many rounds of mailings, to get landlords to register their units, or to finish the process and schedule their inspections.

 Notable problems found in 2023: Bathroom fan rusted solid causing ceiling to be covered in mold (Inspector required tenants to be moved out immediately while the ceiling was torn out and replaced); exterior doors that don't seal; exposed wires.

• This program requires the landlord to notify the tenants about the inspection. We created a simple form as a courtesy in 2022, for the landlords to use if they want. In Feb. 2023, Deputy City Clerk Yvonne Hernandez provided a number of suggestions to improve and simplify the form, then translated it into Spanish.

Development Projects

- Working with a potential developer of the Port property south of Hwy 26.
- Subdivision application west of Broadway and north of Bench Road. This project would extend sewer to the area, but it has been stalled due to groundwater issues and a private well onsite serving adjacent properties.

Annexation

- Ochoa: Annexation of 445 acres east of 14th Ave and north of Main St. Ord. 1599.
- Othello Housing Authority, 10 acres south of Taggares Park. Notice of Intent received and accepted by Council. Annexation Petition received but signed by the OHA Director. Per state law, it must be signed by the OHA Chair, or there must be documented designation of the Director as authorized to sign. Chair declined to sign. Received notice from OHA to place annexation on hold.

Zone Change

• Sand Hill Estates: 18 acres north of Cascade Street between 7th and 14 Ave that was zoned Open Space Urban Reserve, initially proposed as R-2 but then changed to R-4. Process included much research to determine how and why the previous Open Space zoning had been adopted, as well as notification of industries in case they had concerns about expansion of residential closer to industrial areas.

Municipal Code, Standards, & Zoning updates

 Multi-Family Tax Exemption (MFTE) program was adopted Jan. 2023. This program waives property taxes on new and renovated multi-family buildings for 12 years if all conditions are met. OMC 4.40

- Helped proofread and review the replacement Title <u>8 & 9</u> (Criminal Code & Traffic Code) before Council adoption.
- Due to changes in the Public Works department, fence permits started to go through Building & Planning instead of Public Works. This led to updates to Fences, Walls, & Hedges, <u>OMC 14.36</u>. Added requirement for a permit (so Code Enforcement can take action on unpermitted fences), cleaned up the language to match with past practice.
- Updates to the Landscaping code to add flexibility to the street tree requirement for commercial projects, and to reduce landscape requirements for commercial remodels and additions. OMC 17.74
- Created a new chapter to better regulate mobile food vendors/food trucks (OMC 4.14) and amended the existing business license chapter (OMC 4.04).
- At the request of the Planning Commission, Council adopted changes to OMC 2.21.010, increasing the Planning Commission membership to 7, to have input from more viewpoints.
 The new Commissioners were appointed in April.
- In 2023, the Planning Commission started or continued work on:
 - Updating the Home Occupation code (home-based businesses) <u>OMC 17.59</u>, at the request of Code Enforcement Officer, since there are conflicts in the existing code. This code has not been updated since 1995.
 - The Commission reviewed a request to allow cargo containers in the C-1 Zone. They developed some conditions to mitigate the impacts, held a public hearing, and made recommendations to the City Council. Council provided input to the Commission and will hold a public hearing in January 2024.
 - Started reviewing regulations for pushcarts/street vendors/portable vendors. This will likely be a new OMC chapter.
 - o Revisited timing of residential landscape installation (OMC 17.74).

Housing

- We had grant funds left over for the MFTE project, which we used for consultant support to draft the 8 forms we need to implement this program, as well as a summary MFTE flyer to explain the program. Front office staff helped make the flyer simpler and more understandable. Translation by Deputy Clerk Yvonne Hernandez.
- Council held a public hearing and approved a request to add a newly-rezoned area to the MFTE program.

Parks & Recreation

 Helped with grant application process for Lions Park parking lot, including providing input into the CDBG pre-application statement and grant application, and researching the NEPA process to develop the review timeline.

 RCO notified us that they received additional funding for the Planning grants I had applied for in 2022, so Kiwanis Park spray park planning & design (#40 on the list) could now be funded at \$195,000. We were able to add this to the other grants we have received for the spray park.

- Helped with NEPA portion of Kiwanis Spray Park grant paperwork.
- Helped consider possible projects to apply for RCO Community Outdoor Facilities Grant Maintenance Grant applications.

Transportation

- Active Transportation Plan adopted, after environmental review (SEPA Checklist & DNS),
 Planning Commission review and recommendation, public comment, and public hearings.
 Highlights:
 - O Planning Commission suggested providing a summary document for those who don't have time to read the whole Active Transportation Plan. We had the consultant prepare a <u>summary</u>, and then staff translated it (Deputy Clerk Yvonne Hernandez with assistance from Deputy Finance Officer Jackee Carlson). The summary with invitation to comment was mailed with utility bills in Jan. 2023.
 - WSDOT sent extensive comments on the Active Transportation Plan. Staff and consultant prepared responses, which were reviewed by the Planning Commission.
 Some changes to the Plan were made in response to the comments. WSDOT was satisfied with our changes.
 - With City Engineer and consultant's help, drafted Title VI (non-discrimination) and ADA statements to include in the Plan. Deputy Clerk Yvonne Hernandez translated.
- Received Invitation from WSDOT for Othello to submit a project for the Sandy Williams Connecting Communities Program, for disadvantaged communities impacted by state highways. We had only 1 day to respond, so Public Works Director, City Engineer, and Community Development Director pulled together a basic proposal while attending the IACC Conference. We proposed a community trail on the city-owned property between Sagestone 8 and Highway 26, which received an award of \$900,000.
- Coordination with WSDOT on proposed SR26/1st Ave roundabout, including Complete Streets/pedestrian and bike facilities and public comments received on the proposed design.

Elevate Othello/Othello Rural Placemaking Initiative

- Preparations and kickoff meeting for the 2-year Othello Rural Placemaking Initiative funded through USDA-Rural Development. Othello is one of only 17 communities nationwide to receive an award this cycle. Othello's project is being facilitated by Rural Development Initiatives (RDI). The initial focus was on small food and agriculture businesses, youth entrepreneurship, Hispanic community involvement, and broadband.
- Community events:
 - August focus group meetings. Community Development involvement was with the
 Career Pathways group, which is opportunities for young people to train for and get

- jobs that can lead to careers they can have in Othello. Compiled invite list, sent invitations to likely participants, hosted the meeting in Council Chambers.
- September meeting/dinner to nominate and brainstorm who would benefit from the community leadership training.
- September ice cream social/community visioning meeting. Also attending were faculty and students from WSU Rural Community Design Initiative. They are working with Royal City on preliminary design of a library & park, as well as other small cities, and are interested in working with the Elevate Othello project. The students can create visualizations that set up the next stage of the design process. https://ruraldesign.wsu.edu/
- December community meeting & dinner. We had about 40 community members who attended. We divided into groups and brainstormed ways to achieve the top goals, including a community center, classes, better communication, more career options, festivals/events, marketing the outdoors & agriculture, and Latino small business.
- Weekend "Learning Tour" of Woodburn & Independence, Oregon.
 - Woodburn (population 26,000, with 60% Hispanic) has many community events, they are working on a community center, and they have a state taxing program to gather funds for downtown improvements.
 - o Independence (population 10,000) has <u>Indy Commons</u>, a membership shared commercial kitchen for food entrepreneurs.
- "Virtual Learning Tour" of Talent Maker City, Talent OR. Talent has a population of about 6000. They have a community center/maker space where local people teach many classes, including carpentry, robotics, CSI, 3-D printing, quilting, bike maintenance, ceramics, screen printing, and converting a bus to housing. The video of this virtual tour is posted on the Elevate Othello page on the city website: https://www.othellowa.gov/elevateothello

Other Grants

- Letter of support for applying for a portion of \$1B available. Project was to increase tree cover in the Columbia Basin, specifically by 1% in Othello, which could be a combination of street, park, institutional, and yard trees. All costs would be covered by the grant.
- Letter of support for funding of local training for childcare providers. The organization applying was awarded a grant to provide childcare provider training in Spanish in the Othello area.
- Helped with narrative for capital budget appropriation request for design of water treatment plant.
- Provided input on possible projects for climate resilience planning grants.

Website

- Participated in discussions about updating the City website, including demonstrations of potential new website providers.
- Updated webpage for <u>MFTE program</u> (Multi-Family Tax Exemption), including summary <u>MFTE flyer</u> and <u>Translation</u>.

- Updated webpage for the new Active Transportation Plan, including summary.
- Created <u>webpage</u> for the Elevate Othello information, and updated when new information became available.

• Staff works to keep the <u>Building & Planning</u> pages up-to-date and user-friendly, such as the <u>Long Range Planning</u> page's list of ongoing and upcoming projects.

Staffing

- Permit Tech Zuleica Morfin participated in the Othello High School Career Showcase along with other City Hall staff.
- Community Development Director continues to serve on the boards of the Planning
 Association of Washington and the Washington City Planning Directors Association, where
 she was President for 2023. As President, her lodging costs for the annual conference were
 paid by the Association.
- Participated in interview panels for Public Works Water Lead, Motor Pool Lead, and Maintenance Workers.

Technology

- We continue to request refinements of our Permit Trax program for building and land use permits when we realize something could be done better. The Permit Trax company is always very accommodating and prompt in making updates.
- Worked with Deputy Clerk and the Permit Trax company to improve the business license review process.

Long Range Planning

- Discussed the need for a Comprehensive Plan update with the Council budget committee and full Council. Council budgeted funds for hiring a consultant to help with the update.
- Discussed the potential process for our Comprehensive Plan update with our Department of Commerce planner and some possible consultants, to be ready to issue an RFP in 2024 to start the update process.

General

- Othello received several compliments from development professionals about the speed and ease of our permit process.
- Prepared report requested by Planning Commission about economic development and financing mechanisms, including bonds, Local Improvement Districts, and Tax Increment Financing.
- Provided input for the Othello section of the Adams County draft Hazard Mitigation Plan.
- Building Inspector and Community Development Director provided several rounds of responses to objections from a local resident that we weren't being stringent enough in applying WA State Energy Code to a remodel project. We requested and received input from several other jurisdictions to make sure our application of the code was similar to what theirs would have been.

 Attended Adams County open house about amending their Shoreline Master Program, to confirm there are no regulated areas within Othello's growth area. There are some regulated areas to the northwest and near the wastewater treatment plant that we will need to be aware of as we grow.

Training

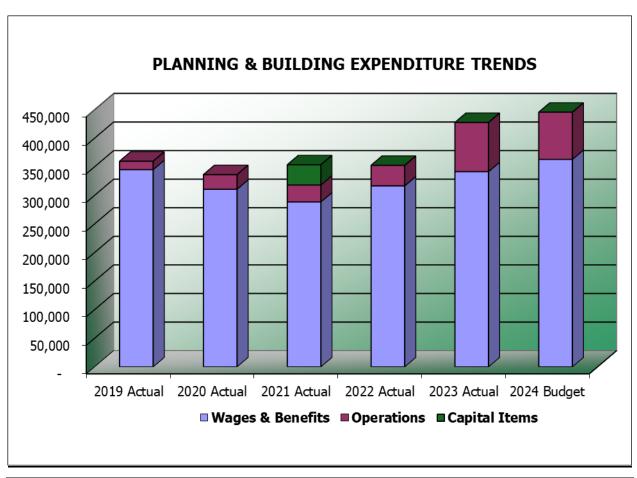

- Building Inspector attended annual 1-week International Code Council training in March.
- Building Inspector attended "Significant Changes to the International Residential Code", presented by the North Central Chapter of ICC in Moses Lake. The speaker was Grant County's Building Official Chris Young. We also shared the seminar flyer with local contractors, some of whom also attended.
- Community Development Director attended "Designing Walkable, Accessible Communities Where People Live, Work, Play, and Learn" training sponsored by WSDOT and City of Moses Lake.
- Community Development Director attended Planning Association of Washington Conference in April, Washington City & County Planning Directors Conference in September, and IACC (Infrastructure Assistance Coordinating Council) Conference in October.
- Webinars (mostly free) on Rural Housing, Missing Middle Housing, Updating the Housing Element, Food Incubators, Placemaking in Small & Rural Communities, The Intersection Between Community Design and Public Health, Linear Park Planning (trails), Presenting Well: Universal Design for Inclusive & Accessible Presentations, Economic Development, and Zoning and Housing for Great Neighborhoods.

2024 Goals

- Finish setting up system and roll out to public the ability to apply for building permits online.
- Finish update of Subdivision standards to remove conflicts, duplication, and outdated processes, better integrate with the Public Works Design Standards, and meet new state requirements.
- Help the City move toward long-term financial sustainability by ensuring development does not create unforeseen financial shortfalls.
- Increase the supply and availability of housing for all.
- Sewer extension south of Highway 26 to serve development near to Broadway.

Othello Library

In the year 2000 voters of Adams County and the City of Othello chose to create a Library District

to support the Othello Library. Adams County Rural Library District #1 (ACLD) has a contract with Mid-Columbia Library District (MCL) for operations and management of the Library.

The City's current expenses in relation to the library include building maintenance and any capital improvements to the property.

The District's funding source is its taxing authority. By virtue of the November 2000

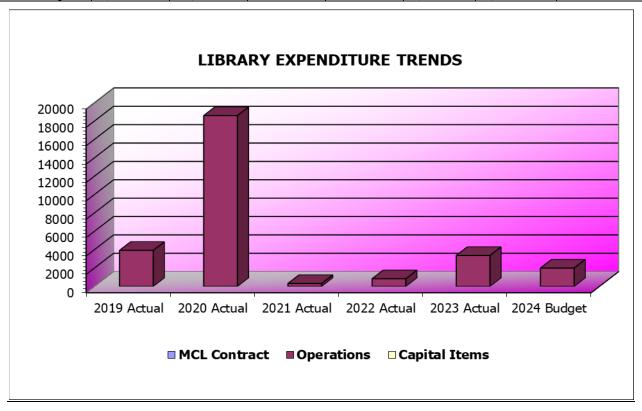

election, the City applied for annexation into the District and citizens voted to join the Adams

County Rural Library District #1 (ACLD). The City had a contract with Mid Columbia Library District (MCL) for library services whereby we pay MCL and were reimbursed by ACLD #1. In 2010 the City stepped out of the agreement, allowing MCL and ACLD#1 to negotiate a new contract.

In 2019 and 2020 we budgeted significant dollars for repairs to the library building (\$18,000 for HVAC repairs \$19,000 (REET) for an electrical upgrade & \$35,000 (REET) for a new roof).

TOURISM FUND

The Hotel/Motel Transient Tax is a tax levied on all hotel/motel room use. The basic tax is 2%. The City passed an additional 2% tax in 1998. These funds may only be used for the promotion of tourism in the City of Othello. Every year the Lodging Tax Advisory Committee reviews the applications for funding and makes recommendations to the City Council. The organizations that receive funding may use the dollars for marketing and operations of their organization/event.

This tax was authorized by the State of Washington with the intention that it becomes self-generating. As dollars generated by the tax are spent on tourism related items, hotel/motels are used more, which in turn generates more tax dollars for the fund.

The Council's general guidance is that we keep an ending balance of \$30,000 to \$40,000 in this fund. This will allow Council to take advantage of other projects during the year.

The following organizations will receive the following amounts in 2024.

Organization	2024 Allocation				
Othello Community Museum	\$	1,500			
Othello Holiday Committee	\$	10,000			
Chamber of Commerce	\$	16,500			
Old Hotel	\$	6,500			
Rodeo	\$	15,500			
All City Car Classic	\$	3,500			
Othello Fair Association	\$	11,500			
Sandhill Crane Festival	\$	11,000			
Coulee Corridor Project	\$	1,200			
Othello Rod & Gun Club	\$	3,000			
Christmas firework display	\$	10,000			
2024 Total	\$	90,200

REAL ESTATE EXCISE TAX FUND

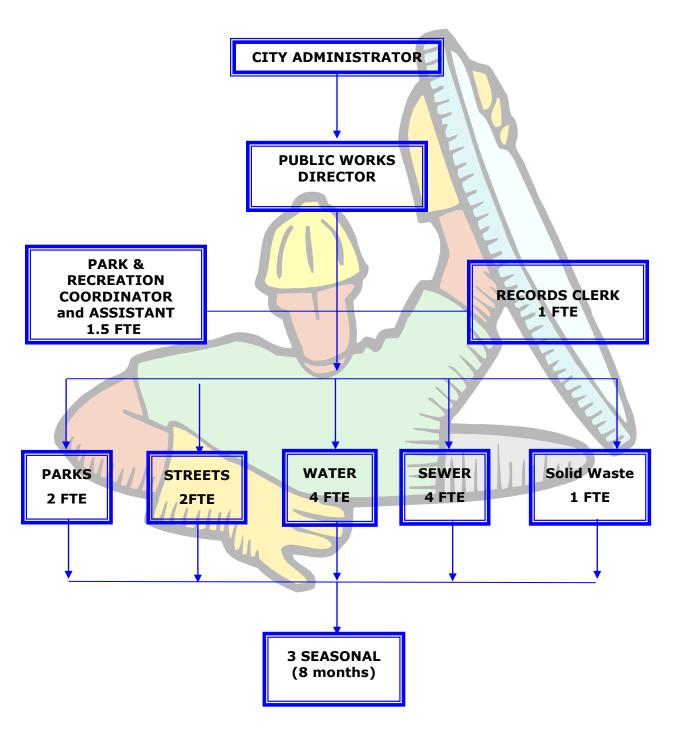

This tax is imposed on the sale of real property within the City of Othello. The rate is 1/4 of 1% of the selling price on each sale of real property. The funds collected as a result of this tax will be used for those public works projects of a local government for planning, acquisition, construction, reconstruction, repair, replacement, rehabilitation, or improvement of

streets; roads; highways; sidewalks; street and road lighting systems; traffic signals; bridges; domestic water systems; storm and sanitary sewer systems, parks; recreational facilities; law enforcement facilities; fire protection facilities; trails; libraries; and administrative and judicial facilities.

PUBLIC WORKS DEPARTMENT

We added 1 Solid Waste staff in 2024.

Public Works

The Public Works Department for the City of Othello is responsible for operation & maintenance of Parks, the City Pool, the Street Fund, Water Utility Fund, Sewer Utility Fund, and Storm Water. The City Administrator provides oversight to the department.

The Public Works Staff includes a Public Works Director, Records Clerk, ten maintenance workers, three seasonal employees and two parks & rec staff. The Public Works Maintenance workers are being cross trained in each of the Public Works Departments. Some of the workers have a certification to a particular department.

The goals for the Parks Division include providing park areas and programs that meet the needs of citizens. This includes the

of

equipment needed to groom the parks, upgrades to park facilities and play equipment, and planning for future needs for parks.

acquisition and maintenance

The Street Division goals are to ensure safe and adequate access throughout the city and to continue to make systematic improvements to the existing streets.

Accomplishment of these goals will require maintenance and acquisition of Street equipment.

The goals of the Water & Sewer Division are to continue to provide quality service to the public. This includes ensuring safe and adequate water supplies for the City of Othello, facilitating the collection and treatment of City

sewage, systematically maintaining the water and sewer system, and planning for the future needs of water and sewer to a growing community.

2024 include some crack seal work and a large chip seal/seal coat project. We will continue with various traffic calming measures, and move forward with an update to our Local Road Safety Plan (LRSP).

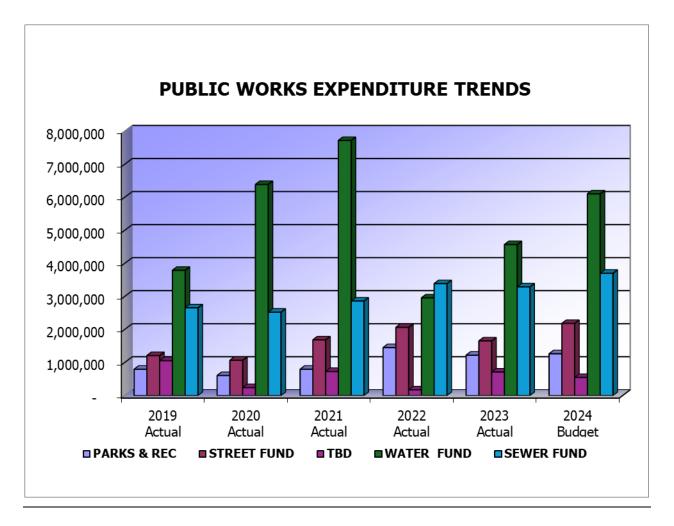

Large projects approved for

We are starting two Commerce funded projects: The Regional Water Plan that will pay for a predesign on a water treatment facility. This facility will review treating canal water to drinking water standards; and a Water Conservation project that will supply irrigation water to residential lots. This year we will also rehab Well #7. Continue with water and sewer line improvements.

2023 Public Works Accomplishments

- Completed the Safe Routes to Schools renovation project along Scootney & 14th
- Systematic Street, and Water & Sewer line improvements
- a large chip seal project on various city streets
- Renovations at Lions Park

- Continued with phase 2 of our Aquafer Storage and Recharge (ASR) project
- Spent \$823,175 to reline City sewer lines
- Minor improvements to the current sewer treatment facility
- Renovations to the Park & Rec building
- Alley approach improvements

STREET FUND

The Street Fund provides for planning and maintenance of city streets, storm water system, sidewalks, and traffic control. Public Works manages the Street Division and is under the direction of the City Administrator. Streets are supported by two full time Public Works staff, as well as allocated city administrative support.

The Street Division maintains 43 miles of roadway throughout the city. The Public Works Department is responsible for keeping the streets clean and passable with street sweeping and snow removal. Storm water is collected via gutters and discharged west of town.

The City completes a six year transportation plan each year that details the needs and goals for providing traffic flows and safe traffic routes throughout the City.

STREET FUND REVENUE

<u>Sales Tax:</u> A sales (or use) tax is collected on every taxable event in the City of Othello. The City's share of the 8.2% sales tax is 1.59%. 0.5% is allocated annually to the Street Fund and .2% is allocated to the Transportation Improvement Fund.

Intergovernmental Revenues:

Intergovernmental revenues are state grants and revenues shared with the city from the state or county, such as the Motor Vehicle Fuel Tax (MVFT) from the State. State Transportation Project revenues are allocated to the City from the County. These revenues are used for the construction and

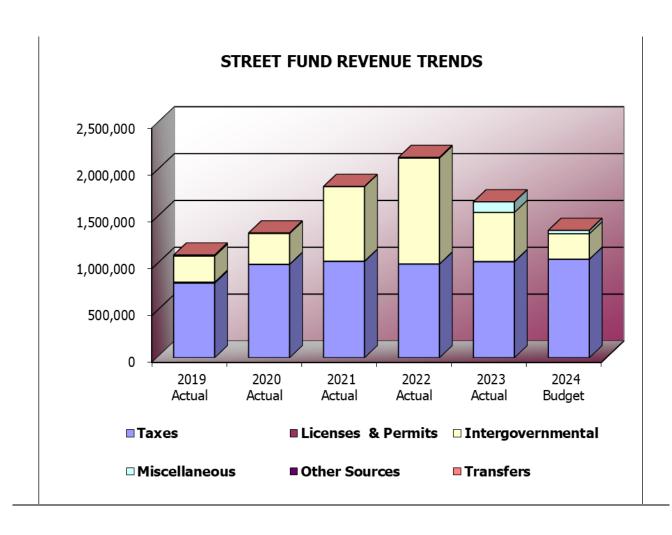

maintenance of streets and roadways within the city.

<u>Miscellaneous Revenues</u>: Miscellaneous Revenues are primarily interest earned on investments.

<u>Transfers:</u> Although Interfund transfers are not new revenues received by the City, they are new revenues received by a fund. Each transfer of funds has been authorized by City Council and is shown as revenue by the receiving fund and expenses by the providing fund.

STREET FUND BUDGET CONSIDERATIONS

Capital projects budgeted for the Street Fund in 2024 include some crack seal work and a large chip seal/seal coat project. We will continue with various traffic calming measures, and move

forward with an update to our Local Road Safety Plan (LRSP). This will help us identify and prioritize work on city streets. It will also help us receive state and federal grant for these projects.

TRANSPORTATION BENEFIT DISTRICT

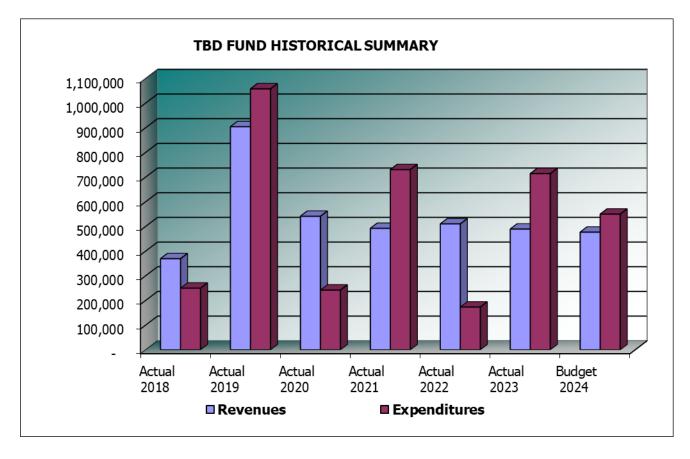

The City established a Transportation Benefit District (TBD) in August of 2012. The district was created for the purpose of acquiring, constructing, improving, providing, and funding transportation improvements within the District. The district boundaries are the same as the City of Othello boundaries.

The Governing Board of the TBD had two funding options:

- 1. Establish a \$20 motor vehicle license renewal fee with a majority vote of the Board.
- 2. Establish a 0.2% sales and use tax increase through a majority vote of the people.

The TBD Board decided to put the 0.2% option out to vote because the funding would be borne by all users of the city roads and not just local City residents.

In 2016 the funding for this District went out to vote. The voters passed a 0.2% sales tax increase to fund the District. The TBD was incorporated into the regular City budget in 2017. All revenues and expenses of this fund are tracked separately in Fund 195. In 2023 we spent \$564,252 from this fund on city streets. In 2024 we plan to spend \$400,000 from this fund, joined with \$200,000 from the street fund for a large chip seal/seal coat project. We also set \$150,000 aside this year to assist with the Main street bond payment.

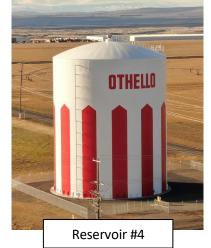

WATER FUND

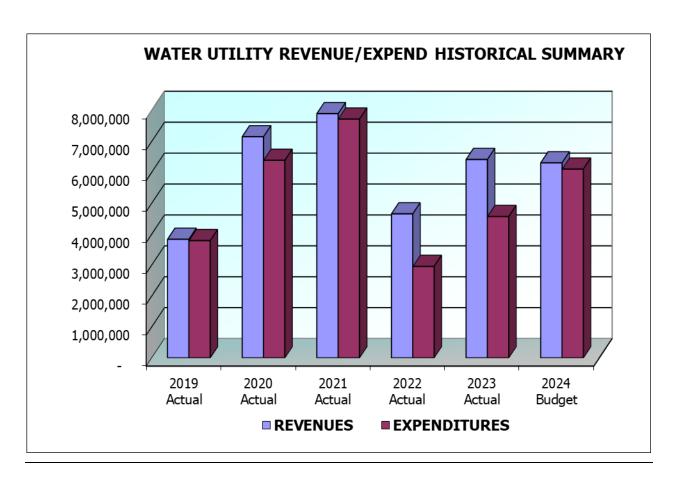

The Water Fund is an enterprise fund and accounts for its operations similar to private business in that the cost of operations, maintenance, debt and depreciation, is covered by fees charged to water users. The Water Fund provides for the planning and maintenance of water lines, wells, and reservoirs within the City of Othello. Public Works manages the Water Division under the direction of the City

Administrator and has three full-time maintenance workers as well as administrative support.

The Water Division of Public Works maintains 43 miles of water lines and serves approximately 2,404 meters. This includes two large industrial accounts that make up approximately 65% of the system demand. The City's water service area includes the Othello corporate limits and a portion of unincorporated Adams County called the Urban Service Area.

The Water Utility currently manages wells from the Wanapum and Grand Ronde Aquifers for water production.

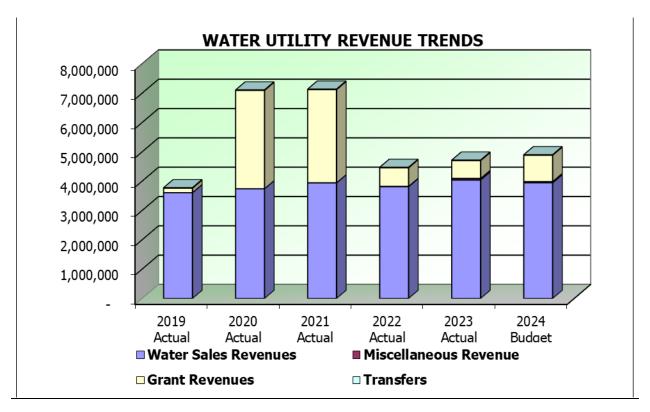

Water Fund Revenue Sources

Charges for Services: Water Fund revenue is made up primarily of water sales. In 2023 the city commissioned a water rate study that reviewed appropriate rates across customer classes. At the conclusion of that study, the City Council approved a 5-year water rate schedule that annually increased residential rated by 0.0% and Industrial rates by 6.86% for 2024-26. Both classes will have an annual 2.25% increase for 2027-28. These rates are based on the operational needs and future capital needs of the City's water system.

Miscellaneous Revenues: Miscellaneous Revenues are typically interest earned on investments.

Interfund Transfers: Although Interfund transfers are not new revenues received by the City, they are new revenues received by a fund. Each transfer of funds has been authorized by City Council and is shown as revenue by the receiving fund and expenses by the providing fund.

Water Fund Budget Considerations

We recently completed construction of a new 3.5-million-gallon water reservoir and the construction of Well #10 and its pump station. We finished re-drilling Well #3, in 2019. This well was crooked which added more wear and tear to the equipment and reduced water production. Our last Well, #9, was completed in 2016. We are on phase 2 of our Aquafer Storage and Recharge (ASR) project. This is entirely funded with grants from the department of Ecology. We

are also starting two Commerce funded projects: The Regional Water Plan that will pay for a predesign on a water treatment facility. This facility will review treating canal water to drinking water standards; and a Water Conservation project that will supply irrigation water to residential lots. With these studies we hope to solve water shortage problems well into the next 70 or 100 years. This year we will also rehab

SEWER FUND

The Sewer Utility is an enterprise fund. Enterprise funds operate much like a private for-profit business. The fees charged for sewer services cover all the costs of operations, maintenance, capital, debt, and depreciation of the fund. The Sewer Department provides for the collection and treatment of up to two million gallons of sewage per day.

The Sewer Division is under the direction of the City Administrator and has three maintenance workers as well as administrative support. Sewage is treated to a higher water quality than the natural flow water of Owl Creek water into which it is discharged. Many of the City operated sewer lines are concrete pipe with infiltration into the system increasing each year. Upgrading of the sewer system will help eliminate this infiltration. The City services about 2,260 sewer accounts.

SEWER UTILITY REVENUE/EXPENDITURE HISTORICAL SUMMARY

SEWER FUND REVENUE SOURCES

<u>Charges for Services:</u> Revenues are mainly from service fees paid by sewer customers. With the completion of the Sewer Comprehensive Plan, several areas of the City's sewer system will need to be addressed as the City continues to grow.

As part of the Sewer Comprehensive Plan, a sewer rate analysis was completed in 2021 to determine the future revenue needs of the Sewer Fund. At that time City Council approved a 3-year, 0% water rate increase to

residential/commercial users, for years 2022 through 2024.

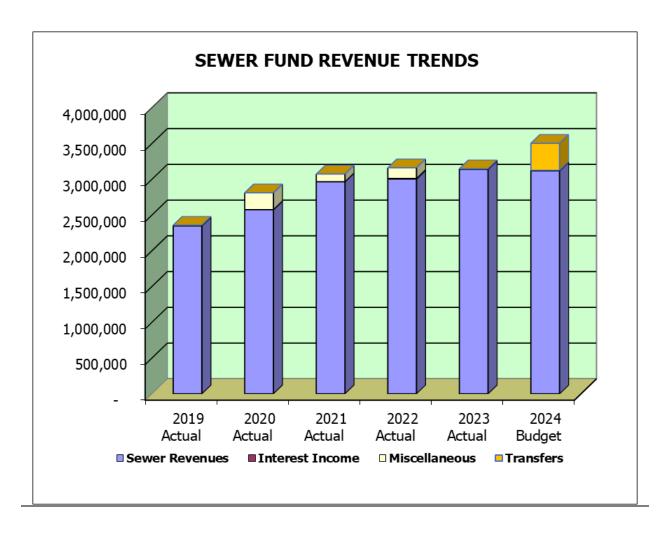

A Capital Facility Fee is collected for new Sewer hook-ups. The hook-up fee is transferred into Sewer Reserves for future expansion.

<u>Miscellaneous Revenues:</u> These revenues are typically interest earned on investments.

<u>Interfund Transfers:</u> Although internal transfers are not new revenues received by the City, they are new revenues received by a fund. Each transfer of funds has been authorized by the City Council and is shown as revenue into the

receiving fund and expenses out of the providing fund. We budget transfers to our Sewer Reserve Fund to help pay for new and updating existing sewer infrastructure.

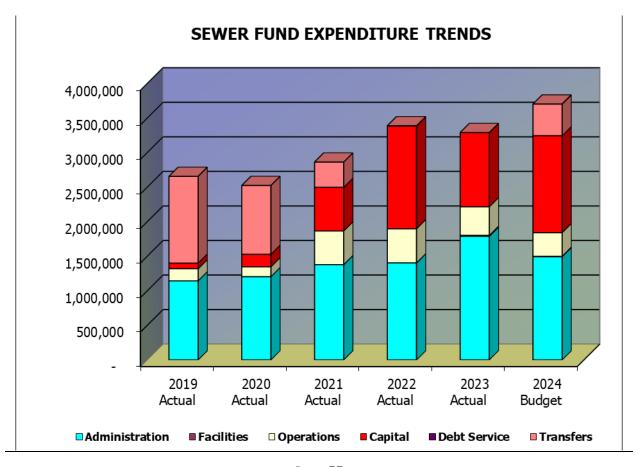

REVENUES	2019 Actual	2020 Actual	2021 Actual	2022 Actual	2023 Actual	2024 Budget	'23 vs. '24 Inc/Dec %

SEWER FUND BUDGET CONSIDERATIONS

At the end of the year, excess revenues are transferred into the Sewer Reserve fund, to help pay for new, and updating existing, sewer infrastructure. Past estimates have put the cost of a new sewer treatment plant at about \$24,000,000. To curb the need for a new facility, the city is lining older sewer lines, essentially turning them from concrete pipes to PVC pipes. This project will reduce the amount of infiltration of ground water into our sewer system and will have a great effect on our ability to meet the Department of Ecology guidelines for sewer treatment. The city spent \$823,175 in 2023 and budgeted \$900,000 in 2024 to continue this project. The city also budgeted \$200,000 in 2024 for some improvements with the current sewer treatment plant.

SOLID WASTE FUND

The Solid Waste Fund is an enterprise fund, accounting for operations much in the same way as a private business. The objective of an enterprise fund is to be self-supporting; this is accomplished by charging user fees. There are currently 2,261 solid waste accounts. The City has entered into a contract with Consolidated Disposal Services Inc. (CDSI), of Ephrata, WA, for collection and disposal services. CDSI's fees are based on container size and number of pick-ups. Adams County charges the City for tonnage hauled to the transfer station. These are by far the two largest expenses in the Solid Waste Fund.

SOLID WASTE FUND REVENUE

<u>Charges for Services:</u> Solid Waste Utility revenues are made up of a monthly service fee paid by solid waste customers.

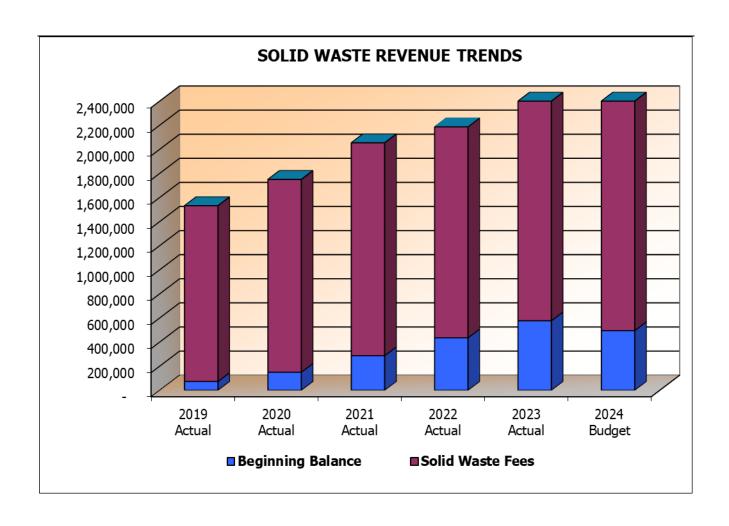

In 2004, it was determined that the Solid Waste Fund could no longer support rate increases from CDSI and Adams County for Landfill fees. Total costs were examined and the first rate increase in 10 years was adopted in September 2004. The increase was a three-year 6% per year rate increase approved and implemented in 2005. 2007 was the third and final year of the increase. The rates remained at that level until 2014, when costs were

reexamined. It was determined that an annual 5% increase was sufficient. That rate structure remained through 2020. From 2021 to 2023 the rates had an annual 1% increase. From 2024 to 2026 the annual increase is 5%. We will review the rates in 2025 to determine the needs of the utility service and appropriate rates moving forward.

<u>Miscellaneous Revenues:</u> These revenues are mainly interest earned on investments, tax revenues that are collected and paid to the state, and transfers from reserves.

Solid Waste Fund 2024 Revenue

REVENUES	2019 Actual	2020 Actual	2021 Actual	2022 Actual	2023 Actual	2024 Budget	'23 vs. '24 Inc/Dec %

SOLID WASTE FUND BUDGET CONSIDERATIONS

Administration costs for the Solid Waste Utility are accounted for in the cost allocation plan set up in the General Fund.

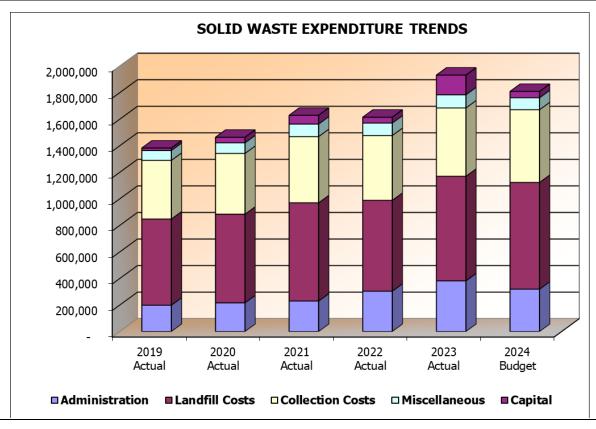

In 2020, the Council decided to purchase a new piece of land to accommodate a larger cleaner more convenient recycle center. This land is on the

corner of N Broadway and E Fir St. The City will complete this recycle center in 2022.

In 2024 the Solid Waste Fund will also provide \$35,000 for upgrades to the City alley approaches. Alley approaches have been deteriorating due to the weight of garbage trucks.

RESERVE FUNDS

The City of Othello has established reserve funds to provide for future capital projects, repair, maintenance, and purchase of capital equipment and supplies.

Park & Recreation Reserve Fund 103

Fund 103 was established to hold sums of money that are set aside each year to help fund park and recreation improvements. In 2016, we build the skateboard park. We used these funds in 2023 for connectivity trails and upgrades to the ballpark concessions.

Cumulative Reserve for Real Property 104

Fund 104 is used to purchase, construct, and improve real property. Park mitigation fees are transferred into this fund for future park purchases. Council must consent to the use of these funds by a 2/3 vote of the members. We are using this fund for a futsal court, bathroom renovations and a spray park at Kiwanis.

LEOFF I Reserve Fund 105

Fund 105 is used to build reserves to cover future costs of LEOFF I retirees, such as assisted living, extended care facility, etc.

Cumulative Reserves - Fire Equipment 106

Fund 106 is used to accumulate reserves to purchase fire department equipment. In 2021 we placed \$440,974 down on a new firetruck purchase. We will paid the final \$146,991 in 2023, upon delivery.

Cumulative Reserves-Water 107

Fund 107 is used to accumulate capital facility charges for use on future water improvements. Excess funds from the Water Utility Fund are transferred to this fund for other water capital improvements as needed. Council has set a minimum balance of \$200,000 (RES. 2001-33).

Cumulative Reserves-Sewer 108

Fund 108 is used to accumulate capital facility charges for use on future sewer improvements. Excess funds from the Sewer Utility Fund are transferred to this fund for other sewer capital

improvements as needed. We are building this fund up to help pay for a new sewer treatment plant in our future. Estimates have put the cost of this project at about \$24,000,000. Council has set a minimum balance of \$200,000 (RES. 2001-33).

Cumulative Reserves - Solid Waste 109

Fund 109 is used to support the solid waste (garbage) utility of the city or an unanticipated rate increase from refuse contractors or Adams County Landfill. This fund does not have a minimum balance.

Cumulative Reserves Streets 110

Fund 110 is used to construct, alter, repair, or purchase supplies, materials, and equipment for city streets. Council authorizes deposit and use of these funds for public works equipment purchases. Council has set a minimum balance of \$200,000 (RES. 2001-33)

Restricted Donations Fund 111

Fund 111 was established for the accumulation of donations for specific projects. Funds accumulate from year to year until City Council determines the need to expend the funds.

Crime Prevention Fund 112

Fund 112 was established to support crime prevention programs such as police explorers and the police reserve program.

Investigations Fund 113

Fund 113 was established for the expansion and improvement of narcotics related law enforcement services.

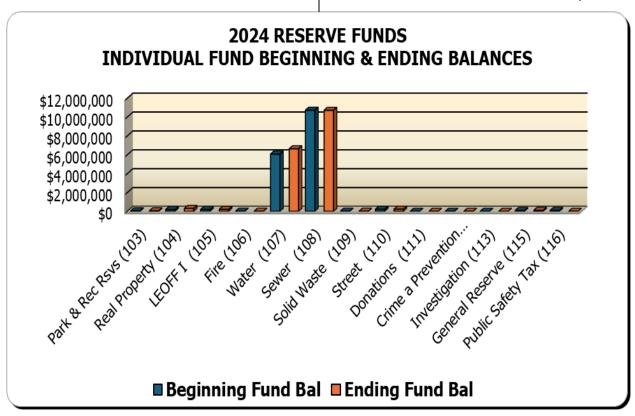

Investigations Fund 115

Fund 115 was established to set money aside for miscellaneous General Fund projects. By the end of 2024 we will have \$110,000 for a new camera system and miscellaneous equipment.

Public Safety Fund 116

In 2019, Adams County passed a Public Safety sales tax of .3%. This money is divided up among the communities in Adams County, on a per capita basis. This money is restricted for public safety purposes. Fund 116 was created to collect this money and budget its expenditures separate from any other city funds. We used this money to hire 2 new police officers, another dispatcher and help fund a second

IT specialist.

DEBT SERVICE FUNDS

Othello takes a conservative approach to debt. The City's debt limit is \$29,227,751 with a public vote and 17,536,651 for a Councilmanic (non-voted) issue. We currently hold \$2,268,748 in general obligation and Public Work Trust Fund (PWTF) loans (including principal and interest). This leaves available debt capacity of \$26,959,003 with a public vote or \$15,267,903 for a Councilmanic issue. PWTF loans, related to a utility, are not included in the calculation of debt limitations.

The City currently has four long term debts it makes payments on. The City recently paid off three debts; one debt in 2014, 2015, & 2016. Two debts are held for the Broadway and Main street reconstruction projects will be held until 2026 and 2031 respectively. The third and fourth are new revenue debt held for a new 3.5 million gallon standpipe reservoir and the reconstruction of Well #3, both in the Water Fund. These water debts will retire in 2039 and 2061 respectively.

Public Works Trust Fund 220

Broadway Avenue. In 2006 the city borrowed \$555,000 to reconstruct Broadway Ave. The interest rate for the loan is 0.5%. Outstanding principle at the end of 2024 will be \$58,421. This loan will be retired in 2026.

Main Street GO Bond Fund 225

Main Street. In 2010 the city issued Councilmanic bonds in the amount of \$3,195,000 to reconstruct fourteen blocks of Main Street. The City provided \$2,006,168 in internal funding and the project was valued at \$5,201,168. The life of the issue is 25-years at an average interest rate of 4.1%. In 2017 the city refinanced \$1,915,000 of these bonds with a lower interest rate (2.41%). We also cut 4 years off the life of this loan. This loan will be retired in 2031.

3.5 Million Gallon Standpipe Reservoir, Water Fund 401

The city completed the construction of a new 3.5-million-gallon standpipe reservoir in 2020. This project was paid for with a 20 year, 1.5% interest, loan from the Drinking Water State Revolving Fund.

On 2/13/23, we made an extra payment on this loan of \$535,102.73. We received a Commerce Appropriation for the Well #10 drilling and pump station project. We had these appropriation dollars left over, once this project was done. Commerce allowed us to receive this extra money and put it towards our DWSRF Loan for the 3.5 MG Stand pipe project. This reduces all

future payments on this loan by about \$50,000 per year. This loan will be retired in 2039.

Well #3 Reconstruction, Water Fund 401

The city completed the reconstruction of Well #3 in 2020. This project was paid for using a 40-year 1.5% interest loan through the U.S Department of Agriculture, Rural Development program. We took advantage of this low interest loan to free up water funds for other city water projects. This loan will be retired in 2061.

Public Works Trust Fund 401-Well #7

In 1996 Othello borrowed \$2,480,819 at 3% interest for a Well #7 venture, a three-million-gallon standpipe and north/south transmission line project. This is a 20-year open loan for the Water Fund and will be paid out of Water Utility operating funds. This loan appears on the books of the Water Utility Fund and therefore does not show up below as a debt service fund. This loan was paid off at the end of 2016.

GO Refunding Bond Fund 231

The 1995 City Hall G.O. Bond was refunded to save the City \$80,000 in interest costs over the remaining years of the debt. \$1,545,000 was refinanced with a 2015 pay off date. This loan was paid off at the end of 2015.

Public Works Trust Fund 223

In 2009 the city borrowed \$570,000 to contract engineering services for the SR24 Industrial Area Infrastructure Improvement project. This loan was paid off at the end of 2014.

2024 - 2029 Capital Facilities Plan

Adopted December 4, 2023

City of Othello Washington Ordinance No. 1609

AN ORDINANCE ADOPTING A SIX-YEAR CAPITAL FACILITY PLAN FOR 2024 - 2029

THE CITY COUNCIL OF THE CITY OF OTHELLO DO ORDAIN AS FOLLOWS:

<u>SECTION 1:</u> The Capital Facility Plan (CFP) consists of future needs for all existing and projected capital facilities. The CFP sets goals, objectives and policies for the city to follow in planning the future needs of our community.

<u>SECTION 2:</u> The 2024 - 2029 CFP, as established, reviewed and approved by the City Council, and made available to the general public through the office of the City Finance Officer, is hereby adopted.

<u>SECTION 3:</u> The estimated expenditures and revenues for each fund are summarized and set forth as follows:

Dep	artments	Amount
General Fund		\$ 31,406,262
Street Fund		\$ 22,815,000
Water Fund	5.	\$ 20,644,190
Sewer Fund		\$ 28,030,000
Solid Waste Fund		\$ 210,000
Т	otal Capital Facility Plan	\$ 103,105,452

A public hearing was held according to law, to receive citizen input of the proposed CFP.

<u>SECTION 4:</u> This ordinance shall take effect and be in force five days after its passage and publication.

PASSED by the City Council of Othello, Washington this 4th day of December 2023.

By:

Shawn Logan, Mayor

ATTEST:

Tania Morelos City Clerk

Ordinance 1608

CAPITAL FACILITY PLAN

Othello's Capital Facility Plan (CFP) is a planning tool for the determination of major public facility improvements, equipment requirements and the related resources to be implemented in the next six years. Capital expenditures and investments usually refer to the commitment of resources made with the expectation of realizing future benefits over a reasonably long period. Project design, land acquisition, construction costs, and the projected means of financing these costs are an important component of the Plan. The projects included in the CFP were derived from a need's assessment done by department heads, the City Council and a list of capital projects, which had been identified in the City of Othello Comprehensive Plan and the Six-Year Transportation Plan.

THE NEED FOR A CAPITAL FACILITY PLAN

The Capital Facility Plan presents major public

improvements
viewed as most
urgently needed
within the next six
years and which
can be funded from
defined revenue

sources. The value of investments in capital projects extend well into the future. The decision to acquire fixed assets or create new programs influences the pattern of cash flows in the current year and for the long term. A Capital Facility Plan allows the city to look into the future to estimate inflationary cost and study the impacts of a capital purchase.

CAPITAL FACILITY PLAN PROJECT CHARACTERISTICS

Characteristics of projects to be considered for inclusion in the CFP are as follows:

- a. Exceeds a cost of \$10,000.
- New construction or reconstruction to replace an existing infrastructure system, acquisition or replacement of
- equipment, or acquisition of land and structures.
- Involves either city funding or total city involvement for grant funding or L.I.D. or special assessments.

CAPITAL FACILITY PLAN PROCESS

Each year a review process and update of the Capital Facility Plan is made much like the annual operating budget process.

Initial work begins in August with Department Heads reviewing the current CFP and suggesting changes in scope, cost, financing sources, and/or rescheduling of some of the projects currently in the plan. Department goals are reviewed, and an inventory of existing assets is prepared. An evaluation of assets is made to determine the life expectancy and come up with development of a replacement schedule.

Department Directors recommend and prioritize the new projects to be included in the CFP. Prioritizing acknowledges many factors which assist in defining a project to be considered. Variables in determining a project's priority may be different for each project type. Each Department Head meets with the City Administrator to discuss their requests and evaluation begins based on:

- Relationship to department goals and facility plans;
- Relationship to recognized citywide plans (like the comprehensive plan and six-year transportation plan);
- Cost effectiveness;

- Full cost of project including operating and maintenance costs;
- Impact on level of quality of service.

Following the evaluation of the CPF projects, revenue estimates are calculated and allocated to the appropriate program areas. Project costs are compared to available revenues and a draft plan is outlined. This draft is presented to the Mayor and City Administrator. Based on the City's goals and available funding, the preliminary draft is presented to the Council and made available to the public for comments. A public hearing is held where Department Heads may be requested to make a presentation detailing the contents of the plan. The community is invited to voice their ideas and opinions to the City Council regarding the plan.

After considering all department head recommendations and public comments, the City

Council makes their changes (if any) to the CFP. After establishing the projects to accept and prioritizing the projects, the Council adopts an ordinance and the adopted CFP is published.

THE ROLE OF THE CFP IN THE OPERATING BUDGET PROCESS

The City Council adopts a CFP identifying the projects, the revenue sources and estimated costs for each calendar year. The CFP, however, is still in competition with other operating requirements. The ongoing need to maintain or operate the new capital expenditure will also be analyzed during the budget process. The Capital

Facility Plan is integrated into the budget process by expediting the procedure and providing an explanatory reference for capital expenditures. The CFP Ordinance and the Budget Ordinance for the coming year must be adopted before December 31st.

FUNDING AND REVENUES

There are two methods for Funding of the Capital Facility Plan:

- 1. Pay As You Go The City may pay for project costs from cash on hand through current year revenues and/or reserves. Advantages include no interest costs, debt is limited, and debt free infrastructure is in place. Disadvantages include the possibility of running out of funding and thus stopping progress on the project.
- 2. <u>Pay As You Use</u> The City may pay for a project with debt that will be repaid by those who use the facility, service or asset.

Advantages include those who use the service are the ones who pay for the service. Inflation allows paying for a project with cheaper dollars so projects can be built when needed without waiting for funding. Tax rates could be lower because debt is spread out over a longer time period. The disadvantages of this method are future funds are now tied to debt service, and in case of emergencies, future borrowing may be limited.

Revenue Sources

Revenue Sources for funding the Capital Facility Plan are provided for by taxes, licenses and permits, intergovernmental sources such as grants, fees for services, miscellaneous revenues and issuance of debt.

Taxes

Property Taxes are based on 100% of assessed valuation as determined by the Adams County Assessor's Office. Tax rates are set forth in RCW 84.52.043 and collected by the County.

A Retail Sales or Use Tax is collected on every taxable event. A rate of 1.59% of the selling price or value of the article is remitted to the City of Othello.

The City's Hotel/Motel Transient Tax is set at 4% (2% as allowed from the state sales tax and an additional 2% sales tax collected for the City) on the charge for furnishing lodging by hotels, motels, private campgrounds, RV parks, and similar facilities (RCW 67.28.180). These funds are used only for activities, operations and expenditures designed to increase tourism, which includes tourism marketing, operations and capital expenditures of special events, festivals and tourism related facilities designed to attract tourists.

The Utility Tax is levied on Electrical, Natural Gas, and Telephone utilities doing business in the City of Othello. The revenues collected are to be used for capital and current expenses of the City. The current Utility Tax rate is 6%.

A Real Estate Excise Tax is imposed on the sale of real property and dedicated to local capital projects.

Licenses and Permits

Proceeds from the issuance of business licenses and permits have had a slight increase every year for the past six years. Building permits, animal licenses and right-of way permits are also included in this category.

<u>Intergovernmental</u>

Federal grants, state grants, state-shared revenues and entitlements, interlocal grants and intergovernmental services are types of intergovernmental revenues.

Motor Vehicle Fuel Taxes are distributed on a per capita basis to the Street Fund for street construction. A portion of the Motor Vehicle Fuel Tax is also distributed to eligible cities and counties exclusively for criminal justice purposes.

Liquor Excise Taxes are based on liquor sold at state liquor stores and retail sales on wine. Distribution by the State to the City is based on population.

Liquor Board Profits are based on license fees from distributors and retailers. A portion of these profits are distributed to cities.

Intergovernmental service revenues are generated from services that are required to be provided by one unit of government and that are performed by another unit of government such as using a centralized dispatch for the county, fire district and hospital.

Charges for Services

Fees and charges for services include water, sewer, and garbage pickup as well as fees for the pool, ball fields and shelter usage.

Miscellaneous Revenues

This class includes interest on investments, private contributions, and uncategorized revenues.

ISSUANCE OF DEBT -- LONG AND/OR SHORT TERM

Local governments rely on debt for a variety of reasons. The issuance of long-term debt has historically provided a major source for funding capital needs. Because of the high cost of acquiring or replacing capital assets, governments are generally not able to accumulate enough cash from current receipts to pay for necessary improvements. Debt permits governments to acquire assets as needed rather than wait until a sufficient amount of cash has been built up. There are definite limits for various types of debt.

General Obligation Bonds are typically issued to finance improvements that benefit the whole community since the payment of these bonds is from tax revenues and are secured by the full faith and credit of the issuer. The two types of General Obligation Bonds are voted or nonvoted. In 1994 the limit of non-voted G.O. debt was increased from 3/4% of assessed valuation to 1.5% of assessed valuation. This debt limit is the combined debt limit of councilmanic debt, lease purchases, and certificates of participation. For voted general obligation bonds the debt limit is 2.5% of assessed valuation.

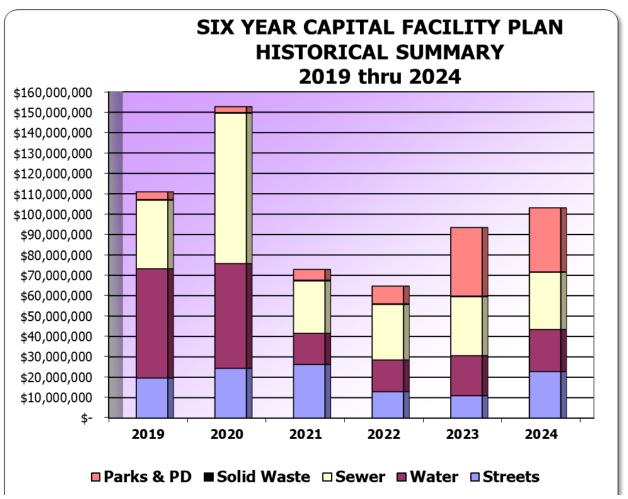

Revenue Bonds are issued to finance facilities that have a user fee or revenue base. These debt instruments are secured by a specific source of revenue. The revenues are either from the operations of the project or a dedicated revenue stream, as opposed to the general taxing powers of the jurisdiction. Revenue bonds are considered less secure than general obligation bonds. Voter approval is not usually necessary to issue revenue bonds; nevertheless, revenue bond issuers are customarily required to set reasonable rates and charges for repayment of the bonds. This may limit the amount of debt that can be supported. Also, revenue bonds have more issuance requirements than G.O. bonds. Issuers may be required to maintain a debt service fund and establish a rate covenant.

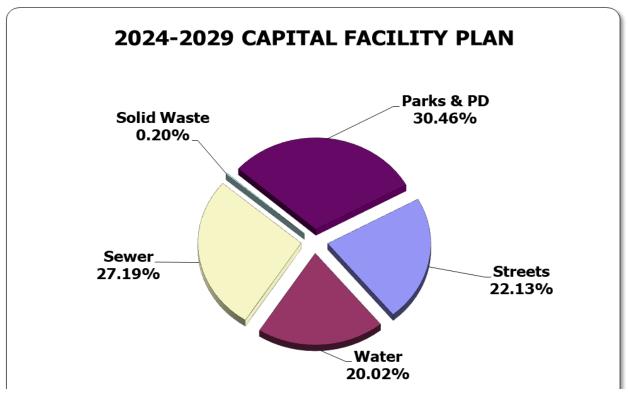

<u>Special Assessment Bonds</u> are local assessments limited to real property within a given area and are based on the special benefit to the property. Local Improvement District assessments benefit specific property owners.

Leasing or Lease Purchasing may be customized to fit the needs of the local government. At the end of the lease, title usually is transferred to the city. A lease on equipment allows payments to be spread over a short period of time. There are some disadvantages to a lease such as higher interest rates and leases do affect debt limitations.

Federal and State Government Loans are available through several agencies such as Department of Community Trade & Economic Development (Public Works Trust Funds Loans), Dept. of Ecology, and the State's LOCAL Program. They are usually low interest loans but sometimes have special requirements or considerations.

<u>Short Term Loans</u> such as Anticipation Notes, Lines of Credit, and Interfund Loans are sometimes used when revenue timing does not match monthly expenditures. The loans are made based on revenues that will be received in the near future.

City of Othello 2024

Detail Budget

City of Othello Washington Ordinance No. 1610

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF OTHELLO WASHINGTON, FIXING THE BUDGET FOR 2024, SETTING FORTH APPROPRIATIONS AND ESTIMATED REVENUES AND ADOPTING, BY REFERENCE, THE FINAL BUDGET FOR 2024.

THE CITY COUNCIL OF THE CITY OF OTHELLO DO ORDAIN AS FOLLOWS:

SECTION 1: The Mayor of the City of Othello completed and placed on file with the City Clerk a preliminary budget, including estimates of revenues and expenditures for operations of the city for the fiscal year beginning January 1, 2024 and ending December 31, 2024.

SECTION 2: The City Council has made such adjustments and changes to said preliminary budget, as it deems necessary or proper at the time.

<u>SECTION 3:</u> The <u>City</u> advertised and properly held the statutory public hearings on the budget on October 2, 2023, November 27, 2023 and December 4, 2023.

<u>SECTION 4:</u> The proposed budget, as revised, was fixed by the City Council on December 4, <u>2023</u> and is now on file in the office of the City Clerk, and is hereby adopted by fund, and incorporated herein as set forth, in full, in this ordinance.

SECTION 5: The following is a summary of the totals of estimated appropriations for each separate fund and the aggregate totals for all funds combined:

Fund	Appr	opriations
General Fund 001		9,289,340
Street Fund 101		2,181,813
Park & Recreation Reserve Fund 103	\$	-
Real Property Reserve Fund 104		1,898,262
LEOFF Reserve Fund 105	\$	-
Fire Equipment Reserve Fund 106	\$	-
Water Reserve Fund 107	\$	-
Sewer Reserve Fund 108		\$378,000
Solid Waste Reserve Fund 109	\$	-
Street Reserve Fund 110	\$	-

Restricted Donations Fund 111	\$3,000
Crime Prevention Fund 112	\$14,000
Investigation Fund 113	\$ -
Tourism Fund 114	\$90,200
General Reserve 115	\$ -
Public Safety Tax 116	\$583,180
ARPA 119 (American Rescue Plan Act)	\$458,573
TBD Fund 195	\$550,000
Debt Service/PWTF Broadway Fund 220	\$29,649
Debt Service/GO Bonds-Main Street Fund 225	\$272,125
Complete Streets Fund 310	\$300,000
Real Estate Excise Tax Fund 335	\$170,000
Water Utility Fund 401	\$6,102,617
Sewer Utility Fund 404	\$3,693,966
Solid Waste Utility Fund 406	\$2,052,792

2024 Budget Total

\$28,067,517

SECTION 6: The Finance Officer is directed to transmit a copy of the budget, as hereby adopted to the State Auditor's Office, Division of Municipal Corporations, and to the Association of Washington Cities.

SECTION 7: If any provision of this ordinance or its application to any person or circumstance is held invalid, the remainder of the ordinance or the application of the provisions to other persons or circumstances is not affected.

SECTION 8: This ordinance shall take effect and be in force five days after its passage and publication.

PASSED by the City Council of the City of Othello, Washington, this 4th day of December 2023.

Glossary

BUDGET GLOSSARY

ACCOUNTING GROUPS: Accounting entities used to establish control over accountability for the government's general fixed assets and the unmarred principal of its general long-term debt, including special assessment debt for which the government is obligated in some manner. The most common groups are called, General Long-Term Debt Accounting Group (GLTDAG) and, General Fixed Assets Account Group (GFAAP).

ACCOUNTING SYSTEM: The total set of records and procedures which are used to record, classify, end report information on the financial status and operations of an entity.

ACCOUNTS PAYABLE: A short-term liability account reflecting amounts owed to private persons or organizations for goods and services received by a government.

ACCOUNTS RECEIVABLE: An asset account reflecting amounts due from private persons or organizations for goods and services furnished by a government (but not including amounts due from other funds or other governments).

ACCRUAL BASIS OF ACCOUNTING: The method of accounting in which revenues are recorded when they are earned (whether or not cash is received at that time). Expenditures are recorded when goods and services are received (whether cash disbursements are made at the time or not).

ACCUMULATED DEPRECIATION: A contra-asset account used to report the accumulation of periodic credits to reflect the expiration of the estimated service life of fixed accounts.

AD VALOREM TAXES: A tax levied on the assessed value of real property.

AGENCY FUND: A fund used to account for assets held by a government as an agent for individuals, private organizations, other governments and/or other funds.

ALLOCATION: To set aside or designate funds for a specific purpose. An allocation does not authorize the expenditure of funds.

AMORTIZATION: (1) The portion of the cost of a limited life or intangible asset charged as an expense during a particular period. (2) The reduction of debt by regular payments of principal and interest sufficient to retire the debt by maturity.

ANNUAL DEBT SERVICE: The amount required to be paid in any calendar year for (1) interest on all Parity Bonds then outstanding, (2) principal of all Parity Bonds then outstanding, but excluding any outstanding term bonds, and (3) payments into any Sinking Fund Account for the amortization of outstanding Parity Bonds divided by the number of calendar years to the last maturity or mandatory redemption date thereof.

ANNUAL FINANCIAL REPORT (AFR): The official annual report of a government. It includes (a) the five combined financial statements in the combined statement - overview and their related notes and (b) combined statements by fund type and individual fund and account group financial statements prepared in conformity with GAAP and organized into a financial reporting pyramid. It also includes supporting schedules necessary to demonstrate compliance with finance regulated legal and contractual provisions, required supplementary information, extensive introductory material and a detailed statistical section.

APPROPRIATION: An authorization made by the City Council, which permits officials to incur obligations against and to make expenditures of governmental resources. Appropriations are usually made for fixed amounts and are typically granted for a one-year period

APPROPRIATIONS ORDINANCE: The official enactment by the City Council establishing the legal authority for City officials to obligate and expend resources.

ASSESSED VALUATION: The estimated value placed upon real and personal property by the Adams County Assessor as the basis for levying property taxes.

ASSETS: Property owned by a government, which has monetary value.

AUDIT: A systematic examination of resource utilization concluding in a written report. It is a test of management's internal accounting controls and is intended to:

- Ascertain whether financial statements fairly present financial position and result of operations:
- Test whether transactions have been legally performed;
- Identify areas for possible improvements in accounting practices and procedures;
- Ascertain whether transactions have been recorded accurately and consistently;
- Ascertain the steward-ship of officials responsible for governmental resources.

AUDITOR'S REPORT: In the context of a financial audit, a statement by the auditor describing the scope of the audit and the auditing standards applied in the examination and setting for the auditor's opinion on the fairness of presentation of the financial information in conformity with generally accepted accounting practices or some other comprehensive basis system of accounting.

BALANCE SHEET: A statement presenting the financial position of an entity by disclosing the value of its assets, liabilities, and equities as of a specified date.

BARS: The State of Washington prescribed Budgeting & Accounting, Reporting System Manual required for all governmental entities in the State of Washington.

BASE BUDGET: Ongoing expense for personnel, contractual services, and the replacement of supplies and equipment required to maintain service levels previously authorized by the City Council.

BASIC FINANCIAL STATEMENTS: Those financial statements, including notes thereto, necessary for the fair presentation of the financial position and results of operations of an entity in conformity with GAAP. The basic financial statements include a balance sheet, an "all—inclusive" operating statement, a budget comparison statement (for all government funds for which annual appropriated budgets are adopted), and a statement of changes in financial position (for proprietary funds, pension trust funds and non-expendable trust funds).

BASIS OF ACCOUNTING: A term used to refer to when revenues, expenditures, expenses and transfers and the related assets and liabilities are recognized in the accounts and reported in the financial statements. Specifically, it relates to the timing of the measurements made, regardless of the nature of the measurement on either the cash or accrual method.

BOND (Debt Instrument): A written promise to pay (debt) a specified sum of money (called principal or face value) at a specified future date (called the maturity date) along with periodic interest paid at a specified percentage of the principal (interest rate). Bonds are typically used for long-term debt to pay for specific capital expenditures.

BOND ANTICIPATION NOTES (BANS): Short-term interest-bearing notes issues in anticipation of bonds to be issued at a later date. The notes are retired from proceeds of the bond issue to which they are related.

BUDGET (Operating): A plan of financial operation embodying an estimate of proposed expenditures for a given period (typically a fiscal year) and the proposed means of financing them (revenue estimates). The term is also sometimes used to denote the officially approved expenditure ceilings under which the City and its departments operate.

BUDGET CALENDAR: The schedule of key dates or milestones, which the City follows in the preparation and adoption of the budget.

BUDGET DOCUMENT: The official written statement prepared by the Finance Department and supporting staff for the mayor, which presents the proposed budget to the City Council.

CAPITAL ASSETS: Assets of significant value and having a useful life of several years. Capital assets are also called fixed assets.

CAPITAL BUDGET: A plan of proposed capital expenditures and the means of financing them. The capital budget may be enacted as part of the complete annual budget including both operating and capital outlay. The capital budget is based on the Capital Facility Plan (CFP).

CAPITAL FACILTIY PLAN (CFP): A plan of proposed capital expenditures to be incurred each year over a period of six future years setting forth each capital project, identifying the expected beginning and ending date for each project, the amount to be expended in each year, and the method of financing those expenditures.

CAPITAL PROGRAM: A plan for capital expenditures to be incurred each year over a fixed period of years to meet capital needs arising from the long-term work program. It sets forth each project or other contemplated expenditure in which the government is to have part and specifies the full resources estimated to be available to finance the projected public facilities.

CAPITAL OUTLAY: Expenditures, which result in the acquisition of or addition to fixed assets. Examples include land, buildings, machinery and equipment, and construction projects.

CAPITAL PROJECTS: Projects, which purchase or construct capital assets. Typically, a capital project encompasses purchase of land or constructions of a building or facility, with a life expectancy of more than 10 years.

CASH BASIS: The method of accounting under which revenues are recorded when received in cash and expenditures are recorded when paid.

CASH FLOW BUDGET (CASH BUDGET): A projection of the cash receipts and disbursements anticipated during a given time period.

COMMUNITY DEVELOPMENT BLOCK GRANTS (CDBG): Grant funds administered through Department of Community Development of the State of Washington.

CENTENNIAL CLEAN WATER PROGRAM (CCWP):

In 1986, legislation was passed which provides grants to public entities for financing water pollution control activities and facilities to protect surface and underground water from pollution. In addition, a state revolving loan program was established to provide loans or combinations of grants/loans to finance public facilities.

CERTIFICATE OF DEPOSIT: A negotiable or non-negotiable receipt for monies deposited in a bank or other financial institution for a specified period for a specified rate of interest.

COMMUNITY PARK: Those parks so designated in the City of Othello's Parks and Recreation Plan.

CONCURRENT OR **CONCURRENCY:** The improvements that are in place at the time the impacts of development occur, or that the necessary financia1 commitments are in place. Public facilities and services shall be adequate to serve the development at the time the development is available for occupancy and use without decreasing current service levels below locally established minimum standards.

CONTINGENCY: A budgetary reserve set aside for emergencies or unforeseen expenditures not otherwise budgeted for.

COST ACCOUNTING: Accounting assembles and records all cost incurred to carry out a particular service.

COUCILMANIC BONDS: Councilmanic bonds refer to bonds issued with approval of the Council, as opposed to voted bonds, which must be

approved by vote of the public. Councilmanic bonds must not exceed .75% of the assessed valuation and voted bonds 1.75%.

DEBT: An obligation resulting from the borrowing of money or from the purchase of goods and services. Debts of governments include bonds, time warrants and notes.

DEBT LIMITS: The maximum amount of gross or net debt, which is legally permitted.

DEBT SERVICE: Payment of interest and repayment of principal to holders of the City's debt instruments.

DEBT SERVICE FUND: A fund established to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

DEFICIT: (1) The excess of an entity's liabilities over its asset (See Fund Balances). (2) The excess of expenditures or expenses over revenues during a single accounting period.

DELINQUENT TAXES: Taxes remaining unpaid on and after the date to which a penalty for nonpayment is attached. Even though the penalty may be subsequently waived, and a portion of the taxes may be abated or canceled, the unpaid balances continue to be delinquent taxes until abated, canceled, paid or converted into tax liens.

DEMAND DEPOSIT: A deposit of monies that are payable by the bank upon demand.

DEPRECIATION: (1) Expiration in the service life of capital assets attributable to wear and tear, deterioration, action of the physical elements, inadequacy or obsolescence. (2) That portion of the cost of a capital asset, which is charged as an expense during a particular period.

DEVEOPLMENT ACTIVITY: Any construction or expansion of a building, structure, or use, any changes in use of a building, structure, or use, or any change in the use of land, that creates additional demand and need for public facilities.

DOUBLE BUDGETING: The result of having funds or departments within a government purchase services from one another rather than from outside vendors. When internal purchasing occurs, both funds must budget the expenditures (one to buy the service and the other to add the resources to its budget so they have something to sell). This type of transaction results in inflated budget values because the same expenditure dollar is budgeted twice: once in each fund's budget. The revenue side of both funds is similarly inflated.

DUE FROM OTHER FUNDS: An asset account used to indicate amounts owed to a particular fund by another fund for goods or services rendered. This account includes only short-term obligations on open account, not interfund loans.

ENCUMBRANCES: Obligations in the form of purchase orders, contracts or salary commitments, which are chargeable to an appropriation and for which a part of the appropriation is reserved. They cease to be encumbrances when paid or when an actual liability is set up.

ENDING FUND BALANCE: The cash balance remaining at the end of the fiscal year available for appropriation in future years.

ENTERPRISE FUND: Separate financial accounting used for governmental operations that are financed and operate in a manner similar to business enterprises, and for which preparation of an income statement is desirable.

EQUIPMENT RENTAL: The Equipment Rental Fund operates as a self-sufficient motor and equipment pool. Customer departments pay for the equipment used through charges billed monthly. These charges include a form of depreciation, which is accumulated as a sinking fund for future asset replacement, a factor for maintenance of the equipment, and charges for fuel (if applicable).

EXPENDITURES: Where accounts are kept on the accrual or modified accrual basis of accounting, the cost of goods received, or services rendered whether cash payments have been made or not. Where accounts are kept on a cash basis, expenditures are recognized only when the cash payments for the above purposes are made.

FEDERAL AID URBAN SYSTEM (FAUS): Provides funds for the constructions, reconstruction, and improvement of urban streets and roads. A local match of 16.6% is required.

FEE IN LIEU OF (FILO): Charges are contributions made by developers toward future improvements of City facilities resulting from the additional demand on the City's facilities generated from the development.

FISCAL YEAR: A twelve (12) month period designated as the operating year by an entity. For Othello, the fiscal year is the same as the calendar year (also called budget year).

FIXED ASSETS: Long-lived tangible assets obtained or controlled as a result of past transactions, event or circumstances. Fixed assets include buildings, equipment, improvements other than buildings, and land.

FLOAT: The amount of money represented by checks outstanding and in the process of collection.

FULL FAITH AND CREDIT: A pledge of the general taxing power of a government to repay debt obligations (typically used In reference to bonds).

FTE: Full-time equivalent employee.

FUND: An independent fiscal and accounting entity with a self-balancing set of accounts recording cash and/or other resources together with all related liabilities, obligations, reserves, and equities, which are segregated for the purpose of carrying on specific activities or attaining certain objectives.

FUND BALANCE: The excess of an entity's assets over its liabilities. A negative fund balance is sometimes called a deficit.

GOVERNMENTAL ACCOUNTING, AUDITING AND FINANCIAL REPORTING (GAAFR): The "blue book" published by the Municipal Finance Officers Association to provide guidance for the application of accounting principles for governments.

GENERALLY ACCEPTED ACCOUNTING PRINCIPLES (GAAP): The standards used for accounting and reporting used for both private industry and governments.

GENERAL FIXED ASSETS: Capital assets that are not part of any fund, but of the government unit as a whole. Most often these assets arise from the expenditures of the financial resources of governmental funds.

GENERAL FUND: The fund supported by taxes, fees and other revenues that may be used for any lawful purpose.

GENERAL OBLIGATION BONDS: Bonds for which the full faith and credit of the insuring government are pledged for payment.

GOALS: The objective of specific tasks and endeavors.

GRANT: A contribution of assets (usually cash) by one governmental unit or other organizations to another. Typically, these contributions are made to local governments from the State and Federal government. Grants are usually made for specified purposes.

GUARANTY FUND: A fund established by a bond issuer, which is pledged as security for the payment of one or more bond issues. Normally used for Local Improvement Districts (LID).

IMPACT FEES: A fee assessed on new development that creates additional demand and need for public facilities.

INFRASTRUCTURE: The underlying foundation of streets, storm water system, sewer, and water systems that the continuance and growth of a jurisdiction depends.

INTERFUND PAYMENTS: Expenditures made to other funds for services rendered. This category includes interfund repairs and maintenance.

INTERGOVERNMENTAL SERVICES:

Intergovernmental purchases of those specialized services typically performed by local governments.

INTERNAL CONTROL: A plan of organization for purchasing, accounting, and other financial activities, which among other things, provides that: The duties of employees are subdivided so that no single employee handles financial action from beginning to end. Proper authorization from specific responsible officers is obtained before key steps in the processing of a transaction are completed. Records and procedures are arranged appropriately to facilitate effective control.

INTERNAL SERVICE FUND: Funds used to account for the financing of goods or services provided by one department or agency to other departments or agencies of the City, or to other governments on a cost-reimbursement basis.

INVESTMENTS: Securities and real estate purchased and held for the production of income in the form of interest, dividends, rentals and base payments.

LATECOMER FEES: Fees paid by developers or future service users for their share of past improvements financed by others.

LEASING: A financial technique whereby ownership of the project or equipment remains with the financing entity, and where title may or may not transfer to the City at the end of the lease.

LEOFF: Law Enforcement Officers and Firefighters Retirement System provided by the State of Washington.

LEVY: (1) To impose taxes, special assessments or service charges for the support of governmental activities. (2) The total amount of taxes, special assessments or service charges imposed by a government.

LEVY LID: A statutory restriction on the annual increase in the amount of property tax a given public jurisdiction can assess on regular or excess levies.

LIABILITY: Debt or other legal obligations arising out of transactions in the past, which must be liquidated, renewed or refunded at some future date.

LOCAL IMPROVEMENT DISTRICTS (LID): Special Assessments made against certain properties to defray part or all of the cost of a specific improvement or service deemed to primarily benefit those properties.

MATURITIES: The dates the principal or stated values of investments or debt obligations mature and maybe reclaimed.

MILL: The property tax rate, which is based on the valuation of property. A tax rate of one mill produces one dollar of taxes on each \$1,000 of property valuation.

MITIGATION FEES: Contributions made by developers toward future improvements of city facilities resulting from the additional demand on the City's facilities generated from the development.

MODIFIED ACCRUAL BASIS: The basis of accounting under which expenditures, other than accrued interest on general long-term debt, are recorded at the time liability are incurred and revenues are recorded when received in cash except for material and/or available revenues, which should be accrued to reflect properly the taxes levied and revenue earned.

NET REVENUE: The revenue of the system less the cost of maintenance and operation of the system.

NOTES TO THE FINANCIAL STATEMENTS: The SSAP and other disclosures required for a fair presentation of the financial statements of government in conformity with GAAP and not included on the face of the financial statements themselves. The notes to the financial statements are an integral part of the Annual Report.

OBJECT: As used in expenditure classification, this term applies to the type of item purchased or the service obtained (as distinguished from the results obtained from expenditures).

OPERATING FUNDS: Resources derived from recurring revenue sources used to finance ongoing operating expenditures and pay-as-you-go capital projects.

OPERATING TRANSFER: Routine and/or recurring transfers of assets between funds.

ORDINANCE: A statute or regulation enacted by City Council.

OTHER SERVICES AND CHARGES: A basic classification for services, other than personnel services, which are needed by the City. This item includes professional services, communication, travel, advertising, rentals and leases, insurance, public utility services, repairs and maintenance, and miscellaneous.

PARITY BOND: Any and all water and sewer revenue bonds of the City The payment of which, both principal and interest, constitutes a lien and charge upon the revenue of the system and upon assessments equal in rank with the lien and charge on such revenue of the system and assessments for payments required to pay and secure the payment of the bonds.

PERS: Public Employees Retirement System provided for, other than Police and Fire, by the State of Washington.

PERSONNEL BENEFITS: Those benefits paid by the City as part of the conditions of employment.

Examples include insurance and retirement benefits.

PROGRAM: A specific and distinguishable unit of work or service performed.

PROGRAM ENHANCEMENT: Programs, activities or personnel requested to improve or add to the current baseline services.

PROGRAM MEASURES: A unit of standard used for the quantitative comparison in the manner of functioning to capacity or quantity as determined.

PROGRAM REVENUE: These are revenues, which are produced as a result of an activity of a program and are subject to quantity of services provided to the public or governmental units (i.e. permits. charges for fire services. Recreational activities), or revenues dedicated to a specific use (i.e. grants taxes or debt funds).

PROPRIETARY FUND TYPES: Sometimes referred to as income determination or commercial-type funds, the classification used to account for a government's ongoing organizations and activities that are similar to those often found in the private sector. The GAAP used are generally those applicable to similar businesses in the private sector and the measurement focus is on determination of net income, financial position and changes in financial position.

PUBLIC FACILITIES: The capital owned or operated by the City or other governmental entities.

PUBLIC WORKS TRUST FUND (PWTF): Is a low-interest revolving loan fund, which helps local governments finance critical public works needs. To be eligible for trust fund financing, the applicant must be a local government entity, with a long-term plan for financing public works needs. If the applicant is a city or county, it must be imposing the optional one-quarter percent real estate excise tax for capital purposes. Eligible projects include streets and roads, bridges, storm sewers, sanitary sewers, and water systems. Loans will only be made for the purpose of

repair, replacement, reconstruction, or improvement of existing eligible public works systems to meet current standards and to adequately serve the needs of the existing populations. New capital improvement projects are not eligible. The maximum loan amount has been one million with a minimum local match of ten percent. Interest rates vary from one to three percent, depending on the match.

RCW: Revised Code of Washington.

Real Estate Excise Tax (REET): A tax upon the sale of real property from one person or company to another.

RESERVE: An account used to indicate that a portion of fund equity is legally restricted for a specific purpose.

RESOLUTION: A formal statement of a decision or expression of an opinion of the City Council.

RESOURCES: Total dollars available for appropriations including estimated revenues, fund transfers, and beginning fund balances.

RETAINED EARNINGS: An equity account reflecting the accumulated earnings of the City.

REVENUE: Income received by the City in support of a program of services to the community. It includes such items as property taxes, fees, user charges, grants, fines and forfeits, interest income and miscellaneous revenue.

REVENUE BONDS: Bond issued that pledge future revenues, usually water, sewer or drainage charges, to cover debt payments in addition to operating costs.

REVENUE ESTIMATE: A formal estimate of how much revenue will be earned from a specific revenue source for some future period, typically, a future fiscal year.

SALARIES AND WAGES: Amounts paid for personal services rendered by employees in accordance with rates, hours, terms and conditions authorized

by law or stated in employment contracts. This category also includes overtime and temporary help.

SERVICE MEASURES: Specific quantitative measures of work performed within an activity or program (e.g., total miles of street cleaned). Also, a specific quantitative measure of results obtained through a program or activity (e.g., reduced incidence of vandalism due to new street lighting program).

SINGLE AUDIT: An audit performed in accordance with the Single Audit Act of 1984 and Office of Management and Budget (OMB) Circular A-125, Audits of State and Local Governments. The Single Audit Act allows or requires governments (depending on the amount of federal assistance received to have one audit performed to meet the needs of all federal grantor agencies.

SINKING FUND ACCOUNT: An account created in the bond fund to amortize the principal of term bonds.

SPECIAL ASSESSMENT: A compulsory levy made against certain properties from earnings of enterprise funds. In addition to a pledge of revenues, such bonds sometimes contain a mortgage on the enterprise funds' property.

SPECIAL REVENUE FUND: A Fund used to account for the proceeds or specific revenue sources that are legally restricted to expenditure or specified purposes.

SUPPLEMENTAL APPROPRIATION: An appropriation approved by the Council after the initial budget appropriation.

SUPPLIES: A basic classification of expenditures for articles and commodities purchased for consumption or resale. Examples include office and operating supplies, fuel, power, water, gas, inventory or resale items, and small tools and equipment.

SURETY BOND: Any letter of credit, insurance policy, surety bond or other equivalent credit facility or any combination thereof issued to the City to satisfy all or part of the amount required to be maintained in the Reserve Account to make such payments of principal and interest as the same become due at maturity or on any mandatory redemption date.

TAX: Charge levied by a government to finance services performed for the common benefit.

TAX ANTICIPATION NOTES (TANS): Notes issued in an anticipation of taxes, which are retired usually from taxes, collected (typically used by school districts).

TAX LEVY ORDINANCE: An ordinance through which taxes are levied.

TAX RATE LIMIT: The maximum legal rate at which a municipality may levy a tax. The limit may apply to taxes raised for a particular purpose or for general purposes.

TERM BONDS: Any parity bonds designated by the council as "term bonds" pursuant to an ordinance which authorizes the issuance of parity bonds and provides for mandatory payments into a sinking fund account established for the term bonds so designated and provides for mandatory redemption of such term bonds from such sinking fund account.

TRANSPORTATION IMPROVEMENT ACCOUNT (TIA): TIA provides funding for transportation projects through two programs: The urban programs and the small cities program. Urban projects must be attributable to congestion caused by economic development or growth. They must be consistent with state, regional and local selection processes. The TIB requires multi—

agency planning and coordination and public/private cooperation to further the goal of achieving a balanced transportation system in Washington State.

TRANSPORTATION IMPROVEMENT BOARD (TIB): The purpose of the TIB is to administer funding for local governments for transportation projects. This is accomplished through the Transportation Improvement Account Program and the Urban Arterial Trust Account Program; Revenues are from the state fuel tax, local matching funds, and private sector contributions.

TRUST FUND: Funds used to account for assets held by a government in a trustee capacity for individuals, private organizations, and/or other funds.

UTILITY LOCAL IMPROVEMENT DISTRICTS: (ULID) Created only for improvement to sewer, water, and other utilities and differs from a LID in that all assessment revenues must be pledged for payment of debt service or bonds issued to finance the improvements.

WAC: Washington Administrative Code,

WARRANT: An order drawn by a municipal officer(s) directing the treasurer of the municipality to pay a specified amount to the bearer, either after the current or some future date.

YIELD: The rate earned on an investment based on the price paid for the investment, the interest earned during the period held, and the selling price or redemption value of the investment.
