

OTHELLO

Start Your Childcare Business

A 3-day free business training for home based childcare businesses. In the training, you will learn the essential business skills and knowledge including the start-up process, licensing requirements, marketing, and record keeping.

Participants will receive one-on-one technical assistance, a \$200 stipend upon completion of training, and eligibility for a \$1,000 start-up grant if they become licensed and start their business. We provide food and childcare to remove any barriers to participation.
